

March 20, 1876,
The Judges of the Court
of Cassman ^{Superior} ~~Head~~ of the County of
Cambria.

We, the undersigned residents
of White Township said County, and liable
to be assessed for highway labor, con-
ceiving ourselves aggrieved by the action
of the viewers appointed by your Hon-
ors, to view and lay out a Road or
highway leading from the H. Allen Tim-
ber bridge to the residence of Daniel
Commons, do hereby appeal to you there-
from.

This appeal is brought to re-
vise the action of the viewers on the
ground that said road or highway was
not laid out in the proper place, there
being no necessity for moving it from
where it had been marked and traveled,
and putting it on swampy ground, and
where a great many stumps will have
to be extracted, thereby involving much
unnecessary expense to the township.

We therefore pray your Honorable
Court to appoint three disinterested
persons, citizens of said County, to
re-view the said road and we will
as in  duty bound ever pray to
