The petition of the undersigned inhabitants
of Summerhill Township in said County, Respectfully
represents,

That the bridge heretofore erected across the Conemaugh
River where the public road leading from Wilmore to Summerhill
crosses said stream, is now entirely useless, dangerous to travel and
must be rebuilt. The petitioners further represent that the cost of
rebuilding said bridge will require more expense than it is
reasonable the said Township of Summerhill should bear.

The petitioners therefore pray the Court to appoint viewers, to
view the place for said bridge and inquire whether such bridge
is necessary and would be too expensive for the said Township
of Summerhill to bear, and make report of their proceedings

The Petition of the Commissioners of Cambria
County respectfully represents: that it having
appeared to the Court, to the Grand Jury, and the
Commissioners of said County, that a bridge over
the Conemaugh river at Coopersdale in said County
was necessary and that it would be too expensive
for the townships in which it was situated to
erect said bridge; and the same having been en-
tered of record (The viewers appointed to view the
location of said bridge having estimated its cost
at \$2400) your petitioners proceeded to have
such bridge erected, the citizens of the living
in the vicinity having agreed to pay all over
the sum of \$800 necessary for building the same;
and that said bridge is now completed.

Your petitioners, therefore, pray the Court
to appoint six fit persons to inspect said bridge

That the bridge
heretofore erected across the Conemaugh River, where the road leading
from Ebensburg to Wilmore crosses said stream, has become
unsafe and dangerous to travel, and that the said bridge
will have to be rebuilt. Your petitioners further represent that the
cost of rebuilding said bridge will require more expense

To the Honorable the Judges of the Bench of Quarter

The petitioners of the Undersigned respectfully
represent that a public road beginning at the
Village of Cambria in said County and
extending through the Township of Godwin to a
point on the public road leading from Gettysburg
to Mill-Creek, where said roads intersect, was
laid out and confirmed by the Court, that
the said road has become inconvenient in its
present location and would better accommodate
the public travel by being changed so as to begin
and end at the same points, but to have a
portion of the same pass through the land
of Mrs. St. Clair and other adjoining lands, so
changed as to place it on higher ground somewhat
away from Mill-Creek.

The petitioners therefore pray the Court

Cambria County & C.

In the Court of Common pleas and quarter
sessions of Said County at June term 1879
To the Honorable John Dean, President Judge
and John Flanagan and John D. Thomas Esqs
Associate Judges of the several Courts of Said
County. We the undersigned petitioners and
Citizens and tax payers of Barr Blacklick
and Jackson Townships in Said County labor
under great inconvenience for want of a public
road to convey their produce to market. The
roads that now are, being of too heavy a grade
for travel. And not being on the most suitable
ground. We do respectfully ask your Honors to
appoint viewers to view and lay out a public
road. Beginning at the Village of St Nicholas in Barr
Township. And running the nearest and best route
to Thomas Griffiths Saw Mill And from thence to
a point in Blacklick Township at or near the
residence of Joseph S. Mardis And thence to a point
on the Stone Pike via by way of Perrys meadow on
the South branch of the Blacklick in Jackson
Township. Between the residence of Mr Song on
said pike and the road leading to Johnstown Borough
in Said County. Said road to be of a reasonable grade
as the Court may direct. The viewers to have power to
vacate other roads where this will supply the same
without inconvenience to the public good. In all cases
doing the least injury to private property through
which said road may pass, And your petitioners
will ever pray

Witness our hands and seals this 6th day of June 1879

To the Honorable the Judges of the Court of Quarter Sessions of Cambria County.

The petition of the undersigned citizens of Susquehanna Township, in said County, respectfully represent, that the bridge long since erected across the public road leading from Ebensburg, to the Cherry Tree Borough, crosses the Susquehanna River near the East Mill of Peter Gorman has become unsafe for public travel, and that said bridge must be rebuilt. Your petitioners further represent that the expense of building a new bridge at said crossing will be greater than the said township of Susquehanna can bear, and they therefore pray the Court to appoint three qualified persons according to law, to view the place proposed for said bridge, and inquire whether such bridge is necessary and would be too expensive for said township to bear and make report of their proceedings at the next term of this Court.
