The Commissioners of Cambria County made answer to the said rule as follows;

1st The remedy of the said Catharine Horner, ~~was~~ if she sustained any damage, was not by a petition for the appointment of a jury of six persons to view the premises and assess the damage, if any was sustained, but by a petition for a review.

To the Honorable the Judges of the Court of

The petition of the Commissioners of said
county, respectfully represents: that it having
appeared to the Court, to the Grand Jury, and
the Commissioners of said county, that a bridge
over the Clearfield Creek, at a point where
the public highway crosses said creek
at Conarros Mill, (said creek at that point
being the line between the townships of
Dean and Clearfield) was necessary and
that it would be too expensive for said town-
ships to erect said bridge; and the same
having been entered of record, your petition-
ers procured an estimate to be made
as nearly as might be, of the expense of
the same, and they proceeded to have

which contract the Supervisors of Dean and
Clearfield Township joined and agreed

To the Honorable the Judges of the Court of Quarter Sessions of the County of Cambria

The Petition of the undersigned citizens of the Boroughs of Franklin and East Conemaugh in said County respectfully represents

That it is necessary that a Bridge should be erected over Conemaugh River running between said Boroughs where the said river crosses the former township Road leading from East Conemaugh to the Frankstown Road near Jacob Goughnour, the said Township Road being now a street of said Boroughs and being crossing said Creek or River below the large bonding house of Pa RR Co on the West side of River and near Dr. J. Wilsons residence on the East side, and that the erection of said Bridge will require more expense than it is reasonable said Boroughs should bear. The Petitioner therefore pray the Court to appoint three persons qualified according to law to view the place proposed for said Bridge and enquire whether such Bridge is necessary and would be too expensive for said Boroughs of East Conemaugh and Franklin to bear and make report of their proceedings to next term of Court. Pray they will ever pray &

To the Honorable the Judges of the Court of
Quarter Sessions of Cambria County

~~petition of Cornman & Stoney Creek Township for a road in said county~~
The petition of the undersigned
Respectfully Represents: That Reviewers or Reviewers
appointed by this Court, reported to the last
term thereof, that they had laid out and returned
for public use the following road viz: Beginning
at a point near Jacob Singers in Cornman
Township, to a point in Stoney Creek Township
on the Johnstown & Seal Level Turnpike east of
the brewery of Oscar Grafe; that said road if con-
firmed by the Court, would entail a heavy burden
on the tax payers of Cornman and Stoney Creek
Township, and be of little or no advantage to
the inhabitants of either township; that the
said road if laid out from Jacob Singers to a point
at a public street west of the Old Pickworth barn
would be of great advantage ^{to} them and in the
the making and repairing of the same, would
not cost much more than one half of that
required to open and keep in repair the road
laid out as aforesaid. The petitioners therefore
showing that they are persons interested, pray the Court
to ^{appoint} three persons properly qualified, to review the
ground proposed for said road, and make report
of their proceeding at the next term of this Court
And they will &c.

road in Crenshaw's leasehold near the Barn of Jacob
Senges to a point on the Johnson and Scotch Lane

the confirmation of the Report, because the proposed
road cuts through several of his lots of land
and in a measure will totally destroy his said

as they were bound to do, and that the assessors did
not comply with the act of assembly

To the Honorable the Judges of the Court of
 Quarter Sessions of the Peace in and for the County
 of Cambria.

The petition of the undersigned, inhabitants
 of the Township of White, in the said County, respect-
 fully sheweth, that whereas a public road has been
 laid out from Glendale to Fiske, in said township:
 that a portion of said road has been opened for public
 use and that a portion of the said road is not yet
 in condition for public use chiefly for the reason
 that it will be necessary to erect a bridge across
 the Slate Creek Creek where the said road crosses
 said Creek in said township and that the expense
 of erecting said bridge would be too heavy and
 burthensome upon the inhabitants of said township.

Your petitioners therefore pray your Honors to appoint
 proper persons to view the premises, and to take such
 order on the subject as is required and directed by the
 Act of General Assembly in such case made and pro-
 vided. And they will ever pray, &c.

known as the Old State Road has long since been laid out
