

To the honorable, the Judges of Quarter
session Court of Cambria County.

We the persons appointed by the Court
to view the place proposed for the bridge
in the within order mentioned, report that
first being duly sworn, affirmed, that we
have viewed the same, and that in our
opinion, a bridge over the North Branch
of the Blacklick Creek, at the part where
the township road, known as the old State
Road, leading from the town of Indiana
to Obensburg, crosses said creek in
Blacklick Township is indispensable and
necessary for public use, and that the
expense of erecting such a bridge
would be attended with more costs
than the township of Blacklick could
bear. (That there has been a bridge
at this point for upwards of twenty
years, and that the present bridge,
has become unsafe from long use,
and decay.)

Witness our hands the seventh
day of Jan. C. D. 1882.

Columbia County, N. Y.

At a Court of General Quarter Sessions of the Peace, hold at Ebensburg in and for said County, on the second day of November A. D. 1881, before the Honorable Judges of said Court.

The petition of divers inhabitants of Blacklick township in said County was presented, setting forth, "that it is necessary that a Bridge should be erected over the North Branch of the Blacklick Creek in said township at or near Duncan's Red Mill, where said Creek crosses the public road, known as the Old State Road; and that the erecting of said bridge will require more expense than is reasonable said township of Blacklick should bear; and praying the Court to take such order on the subject as is required by the Act of the General Assembly in such case made and provided. The Court upon due consideration had of the premises, do order and appoint Samuel Reed, John C. Nite and Samuel George to view the place proposed for said Bridge; who after having first been duly qualified by oath or affirmation to discharge the duties of their appointment with fidelity, are to go upon the premises and enquire whether said bridge is necessary, and whether it would be too expensive for the township of Blacklick to bear the cost of its erection, and make report of their proceedings to the next Court of Quarter Sessions to be held for said County of Columbia.
