

To the Honorable The Judges of the Court of
Cambria County Pa
Gentlemen

The Undersigned Petitioners of Citizens of Allegheny
Township in Cambria County Respectfully Sets forth
that your petitioners & others do now labor under
very great Hardship & inconvenience on account of
the many & very steep hills on the road leading from
the bridge over a branch of Chest Creek (on the road
from Loretto to Carrollton) - To Loretto many of said
hills being very steep & difficult - & could easily be avoided
Your petitioners therefore respectfully ask Your Honors
to appoint viewers to examine the said road and
if practicable to lay out a road which will avoid the
hills complained of by your petitioners.
And your petitioners as in duty bound will pray
