

To the Honorable the Judges of the Court of  
Quarters Sessions of Cambria County.

The petition of the undersigned citizens  
of the Townships of Clearfield and Dean,  
Respectfully Show: That a public  
Road, has long since been laid out,  
by order of Court, but which is not  
yet open, beginning in the Old Town-  
ship Road, about thirty rods West of  
the house of Michael Byrne, and thence  
leading across Clearfield Creek, at or near  
where the Rodgers or Tenkey Saw Mill,  
formerly stood, and thence by the several  
courses of said Road, to the Township road  
below Dyar's old Coal Bank, in the Town-  
ships of Dean and Clearfield, and that  
said road has become inconvenient,  
in its present location, and would be  
very expensive to said Townships to open  
the same: and that it would better  
accommodate the public travel, by  
being changed so as to begin, and end  
at the same points, that is, to begin  
at the point on the Old Road, about thirty  
rods West of house of Michael Byrne, and  
thence to lead, by the nearest, and best  
route, along the several courses of the  
old Road, so as to cross the Clearfield

Creek, at the present fording on said Road, and thence along said Old Road, to the point where the said road, is prayed to be vacated as aforesaid.

The petitioners therefore pray the Court, to inquire of and change the said road, and for that purpose, to appoint three persons, qualified according to law to view the said road, and the ground proposed, for said change, and inquire of the premises, and make report of their proceedings, at the next term of this Court.

And they will ever pray.
