

To the Honorable the Judges of the Court
of Quarter Sessions of the Peace of the
County of Columbia:

The petition of William
A. Peterson respectfully represents

That a public road
leading from a point on the Frankfort road
at Jacob Lingers, to a point on the
Town & Schell's Level Turnpike at or
near the Old Brewery of Oscar Graf was
laid out by Order of Court at Term
and a view ordered of said road at June
Term 1882; that he ~~will~~ ^{will} ~~sustain~~ ^{sustain} ~~any~~ ^{and damage}
thereby if such view of said road is adopted
by the Court, for the reason that the said
road would pass through or over eight
building lots, and be a damage to him
of eight hundred dollars; that he was not
notified by said views or any of them
of the time and place of meeting of either
the said view or review, nor did any
of the viewers call upon him for a
release for damages which he might
claim to his property through or over ~~which~~
which the said road was to pass. The petitioner
therefore prays the Court to appoint disinterested
viewers to view the premises and assess the
damages, if any which the petitioner may
sustain, or grant a review of said

proposed and.

And he will pray

Wm. A. Peterson

Personally came before me

-tition are true to the best of his knowledge
