To the Honorable the Judges of
the within Court;

We the subscribers
appointed by the within order of
Court to view vacate and annul
a road leading from South Fork
to a public road leading from
Summershill to Mineral point
at or near the residence of Daniel
Stutzman in Croyle Township,
doth respectfully report that having
gave duly and timely notice of
time & place of meeting of the views
of said road, And that in pursuance
of said notice we met on Monday
the 1st day of September 1884 and
being all duly sworn and affirmed
we proceeded to view the said
road as it was found marked up
on the ground, and after making
the necessary examination of the
whole route of said road have
concluded and report as follows,
1st If said road was framed as
a public road a bridge would

would have to be built across
Cousmanough River which would
be expensive, 2nd The ground
is too steep for a lowful
road and extremely rough,
And therefore we do report
and would recommend ^{that} the said
road should be vacated and
annulled.

Witness our hands and seals the
day and year first above written
