In Re: Road in Richland
Twp., Cambria Co., Penna.

No. 1 June Sessions 1915
Report of Viewers

To the Honorable the Judges of the Court of Quarter Sessions,
Cambria County, Pennsylvania.

We the undersigned Viewers appointed by the annexed order of
the Court to view the road within mentioned, respectfully report:

That having been duly sworn as member of the permanent board
of Viewers shown by the records of the Court, that having given
due public notice of the said view and of the time and place of
meeting of the viewers and having given notice to the public of
said meeting by posting notices along the route and at the termini
of said road as required by law, and by service of such notices on
the Commissioners of Cambria County, and the Supervisors of Rich-
land Township service of which said notices as accepted being here-
to attached, we met in accordance with the notices given on the
12th day of July A. D. 1915 at Ten (10:00) o'clock A. M. and viewed
the road, that the supervisors and several of the petitioners of
Richland Township were present and heard, that the road prayed for
is 3843 feet in length as shown by the map attached hereto and made
a part of this report and herewith returned for public use. That
we found it was necessary in order to get more information as to
the necessity for the road to take testimony. We met at the
Judges Chambers 1004 Johnstown Trust Building, Johnstown, Penna.
on the 26th day of July 1915 for the purpose of hearing of witness-
es, by misunderstanding of the attorney for the petitioners the
witnesses for the petitioners were not present at this time, there-
fore we continued the time of taking testimony until August 16, 1915
at which time we met again and proceeded with the testimony, that
after due consideration of all the matters so before us we are of
the opinion that the road as prayed for by the petitioners is not
necessary for a public road and would be burdensome to the tax-
payers.

Therefore we are of the opinion that there is no occasion for
the road as prayed for and described in the order attached hereto
and that the same is not necessary for a public road.

Witness our hands this 19 day of August A. D. 1915.

viewers, to view the ground proposed for said road, and if they view the same, and shall agree that there is occasion for such road, they shall proceed to lay out the same, having respect to the shortest distance and the best ground for a road, and in such manner as shall do the least injury to private property, and also be as far as practicable, agreeable to the desires of the petitioners, and that they make a report of their proceedings to the next Court of Quarter Sessions to be held for said County, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, and references to the improvements through which it may pass.

By the Court.

Attest:

A. S. Kirkhead, Clerk.

NOTE. "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report at the next term of said Court, and in the said report shall state particularly: First, who of them were present at the view, second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
