In Re: Guard Rails in  
Summerhill Township on  
Old Plank Road

No. 2 June Sessions 1915.

Report of Viewers

To the Honorable the Judges of the Court of Quarter Sessions,  
Cambria County, Pennsylvania.

We the undersigned viewers appointed by the annexed order of  
the Court to view the road within mentioned, respectfully report:

That having been duly sworn as members of the permanent board  
of Viewers shown by the records of the Court, that having given  
due public notice of the said view and the time and place of  
meeting of the viewers and having given notice to the public of  
said meeting by posting notices along the route and at the termini  
of said road as required by law, and by service of such notices on  
the Commissioners of Cambria County and the Supervisors of Summer-  
hill Township service of which said notices as accepted being here-  
to attached, we met in accordance with the notices given on the  
18th day of August A. D. 1915 at 11:00 o'clock A. M.

We viewed the site and location of proposed guard rails or  
barriers to be erected making personal inspection of the same between  
between the points mentioned in the petition. We are of the opinion  
that guard rails or barriers are necessary between the following  
points from A to B, N. 14° 15' W., 255 feet and N. 1° 45' E., 251  
feet a total distance of 506 feet and from C to D, S. 82° 45' W.,  
305 feet, S. 65° 45' W., 146 feet, S. 53° 35' W., 287 feet and  
S. 32° 30' W., 174 feet a total distance of 912 feet making the  
total length 1418 feet according to the map or draft accompanying  
this report and being a part thereof.

In our opinion the guard rails or barriers recommended by us  
are of such public necessity that the Township should have  
assistance in the erection of same by the county.

Witness our hands this 21<sup>st</sup> day of August A. D. 1915.
