To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned member of the board of viewers of Cambria county, appointed by your honorable Court, upon the attached order, for the purpose therein specified, respectfully report:-

That having given due notice of the view and of the time and place of meeting of the viewers to the Commissioners of Cambria county and to the Supervisors of Jackson Township, by having them accept service of notices hereto attached, and to the traveling public by printed hand bills posted in public and conspicuous places at and near the terminal points of the roads to be viewed: and having been first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability, all of us met in accordance with the notices given and having carefully viewed the premises and are of the opinion that a new road between the terminal points is necessary for the convenience of the public and that the present road between points designated on the attached draft as "B.C.D. & E." should be vacated.

The piece of road as laid out and proposed to be supplied between the points of beginning and ending designated on the order of Court; and as shown on the plot or draft hereto attached and made a part of this report; takes the following courses and distances, viz:- Beginning at a point 120 feet Southward from the bridge over Pergrims Run, on the road leading from the Village of Nant-Y-Glo to Monday's Corner and running as follows, South 71°15' East 120 feet, South 35°15' East 200 feet, South 15°30' East 160 feet, South 21° West 380 feet, South 14°30' East 376 feet, South 18°45' West 330 feet, South 54°30' West 110 feet, North 87° West 215 feet, South 63° West 350 feet, South 42°45' West 167 feet, South 4°15' West 66 feet, South 20° East 153 feet, and South 30°30' East 598 feet, to the point of ending designated near the property line of Lincoln Wagoner and to vacate the piece of road beginning at the point of ending of the piece of road proposed to be supplied near the property line of Lincoln Wagoner and extending thence as follows; North 15° 40'

East 670 feet, North 45° 40' East 96 feet, North 35° 20' East 220 feet, North 76° East 120 feet, North 31° East 185 feet, North 16° 20' West 175 feet, North 50° 30' East 122 feet, and North 32° West 415 feet to the point of ending where the road leading to the Twin Rocks road, near the Rager School House and to Dan Karrs leads off the present road between Nant-Y-Glo and Monday's Corner.

As the proposed new road is laid out through unimproved land most of which is uncleared and no damages result or will result from the opening of the same, we have assessed no damages.
