---

TO THE HONORABLE THE JUDGES OF THE SAID COURT:

The petition of Mike Hovan respectfully represents:

That he labors under great inconvenience for want of a private road to lead from his dwelling house in the Township of Barr in the said County, to a point in the public road leading from Bakertown to Nicktown and through lands of Joseph Jasek and Mary Jasek.

He therefore prays the Court to appoint persons qualified according to law to view and lay out the same according to law and make a report of their proceedings at the next term of this Court.

And he will ever pray.

R E P O R T O F V I E W E R S .

To the Honorable the Judges of the Court of Quarter Sessions of  
Cambria County, Pennsylvania.

We, the undersigned members of the board of viewers appointed by your honorable court upon the attached order for the purposes therein set forth, respectfully report:

That having given due notice of view and of the time and place of meeting of the viewers to the Commissioners of Cambria County by having them accept service of notice hereto attached and to the parties interested and the traveling public by printed handbills posted in public and conspicuous places on the properties and on the public road along the premises through and over which the said road is desired: and having been duly qualified according to law to perform the duties of our appointment faithfully, impartially, and to the best of our judgment and ability, all of us met in accordance with the notices so given and after carefully viewing the premises, are of the opinion that a private road leading from the dwelling house of Mike Hovan to the public road is necessary.

Accordingly we proceeded to lay out a private road in the manner which we believe will be to the best interests of the petitioner and at the same time do the least injury to private property. A plot or draft showing the location of the proposed private road over land of Joseph Jasek and Mary Jasek is hereto attached and made a part of this report: said proposed road as located taking the following courses and distances viz,

Beginning at the property line between premises of Mike Hovan and Joseph and Mary Jasek thence N 21° W 100 feet, N 39° 45' W 42 feet, S 80° W 48 feet, S 66° W 72 feet, S 80° 25' W 374½ feet, N 12° 45' W 125 feet and N 26° 30' W 92 feet to the public road leading from Spangler to Carrolltown and Nicktown.

Having failed to secure a release of damages from said Joseph Jasek and Mary Jasek , we have assessed their damages at Seventy Five Dollars, to be paid them by said Mike Hovan.

Witness our hands this 28th day of July, A.D., 1917.

At a Court of Quarter Sessions of the Peace of the County of Cambria held at Ebensburg, in the said County, on the 13th day of June A. D. 1917, before the Honorable Judge of the said Court: Upon the petition of divers inhabitants of the Township of Barr, in the said County, setting forth that they labor under inconvenience for want of a Private road or highway, to lead from the dwelling house of Mike Hovan in the Township of Barr in the said County, to a point in the public road leading from Bakerton to Nicktown and through lands of Joseph Jasek and Mary Jasek.

and therefore praying the Court to appoint proper persons to view and lay out the same according to law. The Court, upon due consideration had of the premises, do order and appoint

A. M. Shoemaker Esq. surveyor, and

Adam Shuman, J. D. Ritter

viewers, to view the ground proposed for said road, and if they view the same, and shall agree that there is occasion for such road, they shall proceed to lay out the same, having respect to the shortest distance and the best ground for a road, and in such manner as shall do the least injury to private property, and also be as far as practicable, agreeable to the desires of the petitioners, and that they make a report of their proceedings to the next Court of Quarter Sessions to be held for said County, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, and references to the improvements through which it may pass.

By the Court.

Attest:

Frank B. Cobb, Clerk.

NOTE. "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report at the next term of said Court, and in the said report shall state particularly: First, who of them were present at the view, second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
