

In the Court of Quarter Sessions of Cambria County.
No. 1 September Sessions, 1919.

In the Matter of Report of Viewers, appointed to view and determine the necessity of a Bridge over Slate Run, White Township.

CAMBERIA COUNTY SS:

Now, *5th* March, 1920, the Report of the Viewers appointed by the Court of Quarter Sessions of Cambria County to view and determine the necessity for a Bridge over Slate Run in White Township, Cambria County, having been filed and the Viewers having reported in favor of the Bridge and further that the expense of constructing a suitable Bridge would be greater than the Township of White should bear; the Grand Jury having considered the matter at the March Sessions of the Court, 1920, are of the opinion that a Bridge over Slate Run at the point indicated in the Viewers' Report, is necessary for the convenience and accommodation of the travelling public and further that the expense of constructing a suitable Bridge would be greater than the Township of White should bear, and therefore recommend that the expense of constructing such Bridge be borne by the County of Cambria in such proportions as the Commissioners of said County may deem advisable, ~~and do therefore concur in the Report of the Viewers.~~

In the Matter of the Petition of
the Supervisors of White Township
for Appointment of Viewers for
the erection of a County Bridge.

NO. 1 SEPT. SESSIONS 1919.

ORDER OF COURT.

Now, ^{10th} March, 1920, a petition having been heretofore presented to this Court for the appointment of Viewers to view and report according to law, on the erection of a Bridge as prayed for in the petition, the Court did appoint proper persons for that purpose, who made report that after examining the premises they are of opinion that a Bridge is necessary over Slate Run in White Township, at a point where the public road leading from the Ebensburg & Philipsburg Pike to the road leading from Chest Springs to St. Lawrence crosses said Slate Run; and further, that the expense of constructing a suitable Bridge would be greater than the Township of White should bear; and the said report of the Viewers having been filed at the December 1919 Sessions of this Court and no exceptions having been filed thereto, the said report was submitted to the Grand Jury at the March Sessions 1920, who upon due consideration thereof are of the opinion that the aforesaid Bridge is necessary and that the erection thereof would entail greater expense than the Township of White should bear and therefore recommend that the expense of constructing said Bridge be borne by the County of Cambria in such proportions as the Commissioners of said County may deem advisable; it is therefore, ordered and adjudged that the Report of the Viewers and the recommendation of the Grand Jury be approved and entered of record and that a copy thereof be furnished to the Commissioners of Cambria County by the Clerk of the Court of Quarter Sessions, thereof.
