

To the Honorable the Judges of the Court of
Quarter sessions of the Peace in and for the
County of Cambria.

The petition of the undersig-
ned, inhabitants of the Township of Taylors
in said County, respectfully sheweth: That
your petitioners labor under great incon-
veniences for want of a public road or highway, to
lead from a point in Indiana County on the
old tow path of the Pennsylvania Canal
and terminating at the Water works of
the Cambria Iron Company in Cambria
County. Your petitioners therefore pray
the Court to appoint proper persons to
view and lay out the same, according to law
and they will ever pray &c.

Petition.

We the undersigned Citizens of East-west
Wheatfield Township and adjoining Townships in
Indiana Co. Pa. do labor under great disadvantage
on account of the condition of the Road along
the River situated in Taylor Township
Cambria Co. Pa. This Road is about 3 miles
long beginning at Indiana Co. line to wit
the line between Cambria and Indiana Co
and extending to or near the old bucket
factory or Water Works in Cambria Co.

The aqueduct is broken down which make
the Road impassible. And we do therefore
pray the Court of Cambria Co. to grant
us a Township Road of this said Road
of about 3 miles. The lower end situated
in East-wheatfield is kept up by said Twp
