

To the Honorable the Judges of the Court of Quarter Sessions of the peace in and for the county of Cambria:

The petition of the undersigned inhabitants of the Township of Carroll respectfully represent:

That your petitioners labor under great inconvenience for want of a public road or highway, to lead from a point on the old road leading from Carrolltown to Ebensburg at a point at or near a bridge on land of James Yost, to intersect the "Plank Road" leading from Ebensburg to Carrolltown at a point near a stable east of the residence of George Yost in said township. Your petitioners therefore pray the Court to appoint proper persons to view and lay out the same, according to law; and they will ever pray &c.

At a court of Quarter Sessions of the Peace of the County of Cambria
held at Ebensburg in the said County, on the sixth day of
July A. D. 1885, before the Honorable the Judges of the same
court: Upon the petition of divers inhabitants of the township of Carroll
in the said county, setting forth that they labor under inconvenience for want of a
Public road or highway, to lead from
a point on the old road leading from Carrolltown
to Ebensburg at a point at or near a bridge
on land of James Gork, to intersect the "Plank
Road" leading from Ebensburg to Carrolltown
at a point near a stable East of the residence
of George Gork in said Township

and therefore praying the court to appoint proper persons to view and lay out the
same according to law. The Court upon due consideration had of the premises, do
order and appoint, Nessey Scaulan SURVEYOR,
and Benjamin Wirtner and Peter Hoover

VIEWERS, to view the ground proposed for said
road, and if they view the same, and shall agree that there is occasion for such
road, they shall proceed to lay out the same, having respect to the shortest distance
and the best ground for a road, and in such manner as shall do the least injury to
private property, and also be, as far as practicable, agreeable to the desire of the
petitioners, and that they make a report of their proceedings to the next Court
of Quarter Sessions to be held for said county, stating particularly whether they
judge the same necessary for a public or private road, together with a plot or draft
thereof, and the courses and distances, and references to the improvements through
which it may pass.

BY THE COURT.

Attest:

N. A. Shornaker
Clerk.

NOTE.—“It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive; or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth.”

“The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners.”

“The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements, through which it may pass; and whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees, (except at the crossing of ravines and streams) where, by moderate filling and bridging, the declination of the road may be preserved within that limit.”
