At a court of Quarter Sessions of the Peace of the County of Cumberland  
held at Chewsbury in the said County, on the Seventh day of  
March A. D. 1888, before the Honorable the Judges of the same  
court: Upon the petition of divers inhabitants of the township of Stony Creek & Richland  
in the said county, setting forth that they labor under inconvenience for want of a  
public road or highway, to lead from  
a public road at the intersection of the Main Street  
of the village of Moffham and the public road lead-  
ing from Johustown to the Red Bridge near the house  
of Samuel Shrock in Stony Creek Township in said  
County to intersect a public road leading from  
Scalp Level Turnpike to John S. Blough on the land  
of said John S. Blough in Richland Township in  
said County

and therefore praying the court to appoint proper persons to view and lay out the  
same according to law. The Court upon due consideration had of the premises, do  
order and appoint, S. M. Miller SURVEYOR,  
and John S. Blough, Jacob Switzer

VIEWERS, to view the ground proposed for said  
road, and if they view the same, and shall agree that there is occasion for such  
road, they shall proceed to lay out the same, having respect to the shortest distance  
and the best ground for a road, and in such manner as shall do the least injury to  
private property, and also be, as far as practicable, agreeable to the desire of the  
petitioners. and that they make a report of their proceedings to the next Court  
of Quarter Sessions to be held for said county, stating particularly whether they  
judge the same necessary for a public or private road, together with a plot or draft  
thereof, and the courses and distances, and references to the improvements through  
which it may pass.

BY THE COURT.

Attest:

M. H. [Signature]

Clerk.

NOTE.—"It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements, through which it may pass; and whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees, (except at the crossing of ravines and streams) where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
