

To the Honorable A. L. Johnston Judge of the
Court of Quarter Sessions of Cambria County

The petition of the undersigned inhabitants of the
Township of Washington and Gallitzin in said County
respectfully represent: That your Petitioners labor
under great inconvenience for want of a public road
or highway to lead from Pomeroy Crossing on the
P. R. R. and to continue on the eastern side of said
P. R. R. to the High Bridge that crosses said P. R.
and thence to a point on line of Gallitzin Borough
Your Petitioners therefore pray the Court
to appoint proper persons to view and
lay out the same.

And they will ever pray &c

At a Court of Quarter Sessions of the Peace of the County of Lancaster
held at Gettysburg in the the said County, on the Ninth day of
June A. D. 1890, before the Honorable the Judges of the same
Court: Upon the petition of divers inhabitants of the township of Washington Gettysburg
in the said County, setting forth that they labor under inconvenience for want of a
Public road or highway, to lead from
Point crossing on the P. R. R. and to continue on the eastern side
of said P. R. R. to the High Bridge that crosses said P. R. R. and
thence to a point on line of Gettysburg Borough (our Petitioners)
therefore pray the Court, to appoint proper persons to view and
lay out the same

and therefore praying the Court to appoint proper persons to view and lay out the
same according to law. The Court upon due consideration had of the premises, do
order and appoint Henry Deans SURVEYOR,
and George W. K. John P. Brown

VIEWERS, to view the ground proposed for said
road, and if they view the same, and shall agree that there is occasion for such
road, they shall proceed to lay out the same, having respect to the shortest distance
and the best ground for a road, and in such manner as shall do the least injury to
private property, and also be, as far as practicable, agreeable to the desire of the
petitioners, and that they make a report of their proceedings to the next Court
of Quarter Sessions to be held for said County, stating particularly whether they
judge the same necessary for a public or private road, together with a plot or draft
thereof, and the courses and distances, and references to the improvements through
which it may pass.

BY THE COURT.

Attest:

Geo. T. Bluel
Clerk.

NOTE.—"It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
