

To the Honorable, the Judges of the Court
of Quarter Sessions of Cambria County, Penn-
sylvania.

The petition of the undersigned, citizens
of Cambria County, respectfully represents that
the Public Road, ^{in Carroll Township} leading from Carrolltown
to St. Augustine (by way of Marks Mill) as now
laid out and opened, from a point on line
of said road at or near Mellons Hotel
to a point at or near where the road
crosses Chest Creek, is burdensome and
at some seasons of the year under water
and impassible. We therefore humbly ask
the vacation of said road, and that the
court appoint qualified persons to view the
premises and that a new location be laid out
from Mellons Hotel, to the bridge where said
road crosses Chest Creek, and to proceed as
directed by the Act of Assembly in such cases,
made and provided.

And they will ever pray etc.

Commonwealth of Pennsylvania,
County of Cambria } ss.

At a Court of Quarter Sessions of the Peace of the County of Cambria
held at Clearburg in the the said County, on the 17th day of
August A. D. 1892, before the Honorable the Judges of the same
Court: Upon the petition of divers inhabitants of the township of Carroll
in the said County, setting forth that they labor under inconvenience for want of a
~~road or highway, to lead from~~
~~the Public Road, in Carroll Twp. leading from Carroll~~
~~town to St. Augustine (by way of Marks Mill) as now laid~~
~~out and opened from a point on line of said road at or near~~
~~Mellons Hotel to a point at or near where the road crosses~~
~~Chestnut Creek is burdensome and at some seasons of the~~
~~year under water & impassable~~

and therefore praying the Court to appoint proper persons to ^{view & supply} view and lay out the
same according to law. The Court upon ^{due} consideration had of the premises, do
order and appoint J. A. Shaenister SURVEYOR,
and Henry Estevade & James J. Thomas

VIEWERS, to view the ground proposed for said
road, and if they view the same, and shall agree that there is occasion for such
road, they shall proceed to lay out ^{view & supply} the same, having respect to the shortest distance
and the best ground for a road, and in such manner as shall do the least injury to
private property, and also be, as far as practicable, agreeable to the desire of the
petitioners, and that they make a report of their proceedings to the next Court
of Quarter Sessions to be held for said County, stating particularly whether they
judge the same necessary for a public or private road, together with a plot or draft
thereof, and the courses and distances, and references to the improvements through
which it may pass.

BY THE COURT.

Attest:

J. C. Darby
Clerk.

NOTE.—It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth.

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
