To The Honorable A. V. Barker, President Judge, of the
Court of Quarter Sessions of Cambria County, Pennsylvania.

The petition of the undersigned, inhabitants of the
Township of White, in said County, respectfully represents,

That a portion of the public road from a point on
a public road leading from Grew Connell to Beaver Valley Church
and there intersect a public road leading by Beaver Dam Mill,
to Benjamin Byers & Co near the residence of W. H. Gates, (Road
Book Vol. 2 Page 52), is inconvenient to the inhabitants of the
said township, and that the traveling public will be better accom-
modated by changing a portion of said road, to wit Beginning
at a point about one hundred feet distant west from a point
where line of land of E. M. Strayer, crosses said road, and exten-
ding about five hundred feet to a small pine grove on said
road on land of B. W. Gill; and the part of said road which
your petitioners desire to have changed is more difficult to
travel by reason of grades etc., the petitioners therefore pray
the Court to inquire of and change said described part of said
road, and for such purpose to appoint three persons qualified
according to law to view the said road and the ground proposed
for the change, and to inquire of the premises and make report of
their proceedings at the next term of said Court.
