To the Honorable A. V. Barker President Judge of the

Court of Quarter Sessions of Cambria County Pennsylvania
 We, the undersigned viewers appointed by the annexed
 order respectfully report that after giving notice as required
 by law J. Leard Elder Surveyor and William Towle and
 Robert Fitzinger viewers having all been present at the view
 of the site or place proposed for said bridge and having
 all been severally sworn or affirmed to perform our
 duties according to law - We have viewed the premises
 aforesaid and are of the opinion that a bridge across
 Clearfield Creek at the place where the public
 highway from Ashville to William Christies in Gallitzin
 Township crosses the said creek in said Township
 Cambria County is necessary and we recommend the same
 and that the erection of such bridge would be
 attended with more expense than is reasonable
 the said township should bear, a plot or draft
 is herewith enclosed, witness our hands this
 16th day of May 1901.

NOTE.—"It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons owning such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams,) where, by moderate filling and bridging, the declination of the road may be preserved within that limit."

The petitioners of the Subscribers respectfully
Sheweth: That a bridge is much wanted
over the Clearfield Creek, at the place
where the public high way from Ashville
to the Christies in Gallitzin Township
Crosses the said Creek in said Township
Cambria Co; and that the erection of
said Bridge will require more expence
than the said Township of Gallitzin
can or should bear

They therefore pray the Court to appoint
duly qualified persons to view and
lay out the site for said bridge
according to law & they will ever pray &c

To the Honorable the Judges of the Court of Common Pleas
of the County of Cambria, now holding a Court of Quarter Sessions
of the Peace in and for said County.

The petition of the Commissioners of the County of Cam-
bria, respectfully represents:

That it having appeared to the Court, to the Grand Jury, and
the Commissioners of the said County, that a bridge over *Clearfield*
Creek, at the place where a public highway to *Wm Christy from Ashville*
crosses the said Creek, in the Township of *Gallitzin*
in said County, was necessary, and that it would be too expensive
for the said township to erect said bridge; and the same having
been entered of record, your petitioners procured an estimate to
be made as nearly as might be, of the expense of the same, amounting
to the sum of \$3,122.68, and did proceed to have such bridge erected,
by entering into a contract with *J. A. Lord* of
Hastings, Pa. for the building of the substructure and with
King Bridge Co of *Cleveland Ohio* for the building of
the superstructure; and that the said bridge is now completed agree-
ably to the said contracts.

Your petitioners, therefore, pray the Court to appoint six fit
persons to inspect said bridge and the workmanship thereof, agree-
ably to the Act of Assembly, and to make report to the next Court
of Quarter Sessions to be held in and for the said County.
