To the Honorable A. N. Barker President Judge of the  
Court of Quarter Sessions of Cambria County Penna.

The petition of the undersigned, citizens of Gallitzin  
Township Cambria County, Respectfully Represent:

That they labor under great inconvenience for want of  
a Public road or high way, to commence at Paddy's clearing and  
ending near the House of Henry Bendon on the public road  
leading from D. J. Delaney's to Gallitzin Borough, in Gallitzin  
Township Cambria County.

The petitioners therefore pray the Court, to appoint  
three men qualified according to law, to view the ground proposed  
for such road and if they should <sup>see</sup> occasion to lay out and return  
the same for Public use and also to inquire of and vacate part  
of the Public road leading from a point on Public road from  
D. J. Delaney's to Gallitzin near the James Bendon farm and to  
intersect a public road near the Henry Bendon farm, No. 2  
March Sessions 1889; and also to inquire of and vacate  
Public road leading from James Bendon to the All-sona Coal  
& Coke Company's Row of Houses in Gallitzin Township Cambria  
County

Which said last mentioned roads, will by reason of the  
laying out of the proposed road become useless and unnecessary  
to the traveling public.

The said viewers to make report of their proceedings  
to the next Term of this Court.

and therefore praying the Court to appoint proper persons to — view ~~and~~ lay out the same according to law. The Court upon due consideration had of the premises, do order and appoint

J. L. Elder SURVEYOR, and Bernard J. Delaney and Charles A. McMillen

VIEWERS, to — view the ground proposed for said road, and if they — view the same, and shall agree that there is occasion for such road, they shall proceed to lay out the same, having respect to the shortest distance and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desires of the petitioners, and that they make a report of their proceedings to the next Court of Quarter Sessions to be held for said County, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, and references to the improvements through which it may pass.

BY THE COURT.

ATTEST:

A. W. Davis, Clerk.

NOTE. — "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams,) where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
