

To the Honorable Francis J. O'Banion,
President Judge of the Court of
Quarter Sessions of Cambria County;

The petition of the undersigned, inhabitants
of Dean Township, in said County, respectfully
represents:

That a portion of a certain public
road, to wit, from Buckhorn Tavern
to a point where the same portion
of said certain public road inter-
sects the public road from St. Augusti-
ne, all of which, from said Buckhorn
Tavern to said Intersection, is in
said Township of Dean; has been
superseded by other roads, and is
of bad location, and has thereby be-
come useless, inconvenient and bur-
densome, the record of proceedings
laying out which road, from Buckhorn
Tavern to said Intersection, petitioners
are unable to find.

Wherefore your petitioners, showing
that said portion of a public road long
since laid out and opened, in said
Township of Dean, from Buckhorn
Tavern to its Intersection of
public road from St. Augustine
to Altoona, has become useless,
inconvenient and burdensome,
pray the Court to appoint three persons,
qualified according to law, to inquire
of and vacate said road, and to proceed
in the premises according to law, and
to make report of their proceedings to
the next term of the Court.

And they will ever pray, &c.

NOTE. "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report at the next term of said Court, and in the said report shall state particularly: First, who of them were present at the view, second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
