To the Honorable F. J. O'Connor, President Judge of the Court of Quarter Sessions of Cambria County, Pennsylvania:

The petition of the undersigned inhabitants (and Supervisors) of the Township of Adams, in said County, respectfully represent:

That a bridge is much wanted and necessary over the South Fork branch of the Little Conemaugh River where the public highway leading to Wilmore crosses the said creek on the line between the Township of Adams and Township of Croyle in said County, at the Village of Lovett; the expense of erecting such a bridge being burdensome to the inhabitants of the Township and more than they should reasonably bear.

Your petitioners therefore pray the Court to appoint Viewers, according to law, to view the place proposed for said bridge and inquire whether such a structure is necessary and make return at the next term of Court.

To the Honorable F. J. O'Connor, President Judge of the said Court:

We, the subscribers, appointed by the Court to view the place proposed for a bridge in the within order mentioned, respectfully report:

That having been present at the view at the place proposed for the bridge within mentioned, and having all been severally sworn or affirmed in pursuance of said order, we viewed the premises aforesaid and are of the opinion that a bridge over the South Fork branch of the Little Conemaugh River where the public highway leading to Wilmore crosses the said creek on the line between the Township of Adams and Township of Croyle in said County, at the Village of Lovett is necessary and the cost of erecting the said bridge would be attended with more expense than is reasonable that the said Township should bear.

Notice of the proposed view was given to the Supervisors of said Township, also by printed notices posted at public places in the vicinity, and to the Commissioners of Cambria County, copies of which are hereunto attached and made part of this report.

Witness our hands and seals this 30th day of Nov.
