REPORT OF VIEWERS

Filed 12/2/46

In re: Laying out a proposed
public road in Croyle Township,
Cambria County, Pennsylvania.

In the Court of Quarter Sessions
of Cambria County, Pennsylvania.
No. 1, September Sessions, 1946.

REPORT OF VIEWERS

To the Honorable, the Judges of the above named Court,
we the undersigned Viewers, appointed by the annexed order of the
Court to view the proposed road within mentioned, respectfully report:

That we have been duly sworn or affirmed as members of the
Permanent Board of Viewers of Cambria County, as shown by the records
of the Court; that having given due public notice of the time and
place of meeting, by posting notices as required by law along the
route and at the termini of the said proposed new road, as evidenced
by copy of said notice hereto attached, and by service of such notice
on the County Commissioners of Cambria County, the Supervisors of
Croyle Township, the Solicitor for the Petitioners and the Solicitor
for the Supervisors being hereto attached; that we met in accordance
with the notice given, on the 14th day of November A.D. 1946, at 10:00
1'clock A.M. (Eastern Standard Time) and proceeded with the duties
of our appointment and viewed the premises and route of the proposed
new road; that said proposed new road is now opened as a private road
through its entire length, and has been used for a long number of years
by the persons living along the route of said road and is now being
used by same, that all the viewers named herein, one Supervisor of
Croyle Township, Mr. Michael Mishlock, and four property owners and
taxpayers were present during the view; that after viewing the premises
and the route of the proposed road, we are of the opinion that a
necessity exists for the proposed new road; Beginning at a point in
the center of State Highway Route 11095, said point being South 40
degrees 30 minutes East, 1187.3 feet from a point in the center line

of State Highway Route 11014, the last said point being in the Village of Lovett; thence North 83 degrees 24 minutes East, a distance of 886 feet to a point; thence North 75 degrees 16 minutes East, a distance of 1141 feet to a point; thence South 86 degrees 46 minutes East, a distance of 420 feet to a point; thence South 73 degrees 28 minutes East, a distance of 141 feet to a point; thence South 51 degrees 50 minutes East, a distance of 266 feet to a point; thence South 62 degrees 36 minutes East, a distance of 398 feet to a point; thence North 58 degrees 01 minutes East, a distance of 840 feet to a point; thence North 30 degrees 25 minutes East, a distance of 345 feet to a point; thence North 43 degrees 39 minutes East, a distance of 427 feet to a point; thence North 44 degrees 35 minutes East, a distance of 200 feet to a point; thence North 8 degrees 53 minutes East, a distance of 133 feet to a point; thence North 8 degrees 35 minutes West, a distance of 278 feet to a point; thence North 25 degrees 57 minutes East, a distance of 304 feet to a point in the center of State Highway Route 11014; said point being 24 feet northeast of State Highway Survey Station 62+0, the place of ending, in the Township of Croyle, County and State aforesaid. Said proposed road being 5779 feet in length as is shown on the blueprint attached hereto, colored in green and made a part hereof.

That the route of said road as laid out, beginning at an iron pin at the northeast corner of Frank Humbert, Jr. property and extending westwardly to the corner of Lester Bastine and Fred L. Maus, follows the center line of a dedicated street fifty (50') feet in width; the remainder of the road as laid out follows a private road aforementioned. We further recommend that the width of right-of-way for the remainder of this proposed new road be fifty (50') feet.

That after taking into consideration all the matters before us, we are of the opinion that the road as prayed for by the petitioners

and viewed by us is necessary and convenient and will not create an undo hardship on the Supervisors, therefore we recommend that the prayer of the petitioners be granted.

Written releases from the abutting property owners were not obtained, however, we assess damages to the extent of seventy-five (\$75.00) dollars will be suffered by Fred L. Maus between land of Lester Bastine and the Wilmore Coal Company along the south side of the proposed road and no benefits are assessed to any of the abutting property owners.

Witness our hands and seals this 27th day of November, A.D. 1946.

In re: Order to view proposed
public road in Lower Yoder
Township, County of Cambria and
State of Pennsylvania

rep #3

In the Court of Quarter
Sessions of Cambria County
Pennsylvania.
No. 3 June Sessions 1946.

REPORT OF VIEWERS

To the Honorable, the Judges of the above named Court,
we, the undersigned Viewers, appointed by the annexed order of the
Court to view the proposed road within mentioned, respectfully
report:

That we have been duly sworn or affirmed as members of
the Permanent Board of Viewers of Cambria County, as shown by the
records of the Court; that having given due public notice of the
time and place of meeting, by posting notices as required by law
along the route and at the terminal of the said proposed new road,
as evidenced by copy of said notice hereto attached and by service
of said notice upon the Commissioners of Cambria County, the Super-
visors of Lower Yoder Township and the solicitor of Lower Yoder
Township, evidence of which is shown by copies of said notices hereto
attached and made a part of this report; that we met in accordance
with the notice given on the 23rd day of July A.D. 1946 at 10:30
a.m. D.S.T. and proceeded with the duties of our appointment and
viewed the premises and route of the proposed new road; that during
the view two property owners and two supervisors of Lower Yoder
Township and all three viewers were present; that the proposed new
road is now temporarily opened as a private road and runs through
a proposed plan of lots, upon which three houses are built; two
at the end of Westmont Street and one at the extreme end of the
road going on to Landon Street; that over almost the entire length
of this road, there has been no building; that after hearing all
interested persons present at the view and the Supervisors of
Lower Yoder Township, we find that it would be an unwarranted hardship
on the Township of Lower Yoder to open this road and maintain it
for public use, therefore we recommend that the prayer of the
petitioners be refused.

Signed by the Members of the Board of Viewers this
twenty-sixth day of July, 1946.
