1. That by indenture dated the 12th day of May, 1949, the petitioner became the owner of all those two certain parcels of ground situate in the First Ward of the Borough of Nanty Glo, County of Cambria and State of Pennsylvania, as more fully appears in deed recorded in Deed Book Volume 598, at Page 553, which premises are described as follows:

No. 1 - BEGINNING at a point on the Northeast side of the right of way of the old highway leading from the Borough of Nanty Glo to the village of Mundys Corner and known as the Old Pergrin Hill Road, thence along said Road North 16° 30' East for a distance of 100 feet; thence by the lands of the Loraine Land Company South 72° 10' East for a distance of 150 feet to a post, thence by land of the same South 16° 50' West for a distance of 100 feet to a post; thence still by the land of the same North 72° 10' West for a distance of 150 feet to a post and the place of beginning.

No. 2 - BEGINNING at a point, being the Northwest corner of the lands herein described and the Northeast corner of other lands of mortgagor; thence South 72° 10' East 89.7 feet more or less to a post in the West line of the public highway leading from Nanty Glo to Mundys Corner; thence by West line of said public highway South 2° 30' East 106 feet to a post; thence by lands of Ellen K. 2. That under and by virtue of an ordinance of the council of the Borough of Nanty Glo approved the \_\_\_\_\_, day of \_\_\_\_\_, A.D. 19\_\_\_\_ the Department of Highways of the Commonwealth of Pennsylvania agreed with the said Borough to re-locate and repave State Highway Route No. 110-30, Section I, O. R. 094 from the said Borough up along Pergrin Hill, which fronts the property of the petitioner hereinabove described, said road being improved to Mundys Corner.

3. That pursuant to the said Ordinance, the council of the Borough of Nanty Glo agreed with the Department of Highways and the Commonwealth of Pennsylvania, to pay for and be responsible for all property damages caused to properties in the Borough by reason of the re-location and repaving of the said highway hereinbefore referred to.

### REPORT OF VIEWERS

We, the undersigned Viewers appointed by the above named Court to View and Inspect the real estate and premises of THE AMERICAN POLISH CITIZENS CLUB owners of real estate and a club building in the Borough of Nanty-Glo in Cambria County, Pennsylvania to determine and estimate the damages or benefits that have resulted or that may seem likely to result by reason of the opening, construction, re-construction and improvement of State Highway Route #110-30, Section 1, O. R. 094 in Nanty-Glo Borough and more particularly described as follows:

No. 1- BEGINNING at a point on the Northeast side of the right of way of the old highway leading from the Borough of Nanty-Glo to the Village of Mundys Corner and known as the old Pergrin Mill Road, thence along said road North 16 deg 30' East a distance of 100 feet; thence by lands of Loraine Land Company South 72 deg 10' East for a distance of 150 feet to a post; thence by land of the same South 16 deg 50' West a distance of 100 feet to a post; thence still by the land of the same North 72 deg 10' West a distance of 150 feet to a post and the place of beginning.

No. 2- BEGINNING at a point, being the Northwest corner of lands herein described and the Northeast corner of other lands of mortgagor herein described thence South 72 deg 19' East 89.7 feet more or less to a post in the West line of the public highway leading from Nanty-Glo to Mundys Corner; thence by West line of said Public Highway South 2 deg 30' West 106 feet to a post; thence by lands of Ellen K. Ashman, et al North 72 deg 10' West 124 feet more or less to a post on other lands of mortgagor; thence along same North 16 deg 30' East 100 feet more or less to a post and place of beginning, CONTAINING 245/1000 of an acre.

That we were duly sworn or affirmed as Members of the Permanent Board of Viewers of Cambria County, Pennsylvania as shown by the records of the afore- Court; that due public notice of the time and place of the meeting of said Viewers was given by posting ten hand bills upon the condemned premises owned

by the petitioner and acknowledge the receipt of copy of said notice. Notice was also served personally upon John Taylor, Esq., Solicitor for the Borough of Nanty-Glo; upon John Fatula, President and Louis Bober, Secretary respectively of THE AMERICAN POLISH CITIZENS CLUB of Nanty-Glo aforesaid all of who acknowledge receipt of copy of said notice; upon Samuel R. DiFrancesco, Esq., Solicitor for the Petitioner who likewise acknowledges receipt of copy of said Notice and by personal service on E. R. Forbes, Hollidaysburg, Penna. District Engineer for the State Highway Department of the Commonwealth of Pennsylvania and copy of said notice was left with him. A copy of the notice was left with the Nanty-Glo Journal a newspaper published in the Borough of Nanty-Glo and a like copy of the notice to view was left in the offices of the Cambria County Legal Journal for publication of said Notice to View at least ten days before the time of the View. Copies of said Notices to View are hereby attached and made a part of this Report. Pursuant to said Notice to View, we met upon the premises on 14th day of August 1952 at 10 o'clock daylight time in the morning and proceeded with the duties of our appointment. There were present at the view the three viewers together with Samuel R. DiFrancesco, Esq., Solicitor for the American Polish Citizens Club, the petitioner with John Fatula, President and Louis Bober and other members of the aforesaid club. John Taylor, Solicitor appeared for the Borough of Nanty-Glo and Mr. Curry representing the State Highway Department with offices at Hollidaysburg, Penna. There were other present at the time of the view. A careful and thorough inspection was made of the land affected by said improvement and the building as well. All pertinent matters and elements involved in the taking of the land and its affect on the land remaining together with the club building.

Because of the time element involved in having this report ready for filing on the first day of the Court of Quarter Sessions of Cambria County which convenes Tuesday September 2 Notices for the Exhibit of Schedule of Damages were served upon Samuel R. DiFrancesco, Solicitor for the club, upon Louis Bober its Secretary and John W. Taylor, Solicitor for the Borough of Nanty-Glo

setting forth that said Schedule of Damages would be Exhibited on 28 August 1952 at 10 o'clock daylight time in the morning at the Municipal Building in the Borough of Nanty-Glo, Cambria County, <sup>4</sup>enna and similar notice was published in the Nanty-Glo Journal and the Cambria County Legal Journal stating time and place at least ten days before said Exhibit of Schedule. In the meantime a meeting for the taking of testimony was held in the Municipal Building aforesaid on 25 of August 1952 daylight time in the morning. Attorneys for both sides were present and a number of witnesses were called by the attorneys. The Viewers were all present at this meeting. Announcement was again made to all of the parties that the Exhibit of Schedule for Damages will take place at the same place on 28 August 1952 at 10 o'clock daylight time 1952.

On 27 August 1952 at 8:30 o'clock in the morning the Viewers had a conference with regard to the hearing held to discuss the extreme contradictory testimony adduced at the hearing with regard to the amount of damages caused by the construction, re-construction and improvement of State Highway Route #11030 as it affects the property and building of the petitioners. We discussed the full and entire testimony and took in consideration all the elements and matters pertinent thereto and took in consideration same in determining the amount of damages.

That having viewed and inspected said premises and making a careful inspection of same and hearing all evidence and testimony concerning said land and building and having taken in consideration all the elements of benefits and damages by reason of said Highway improvement as its affects the land of the owner, it having lost some of its real estate and the effect upon the remainder of the land and upon the club building as well as considering all matters before us, we estimated the quality and quantity of land taken, occupied and injured by said taking and having made just allowances for benefits as compared against the damages in said appropriation to the owners which have resulted or which may likely result to the said owner of land condemned, we estimated the amount of damages and prepared a Schedule thereof.

Pursuant to said Notice of Exhibit of Schedule we met in the Municipal Building in the Borough of Nanty-Glo aforesaid on Thursday, w8 August 1952 at 10 o'clock daylight time in the morning 1 Parties in interest were asked if any further testimony was to be presented. There being none we proceeded with the presentation of the Exhibit of Schedule. After taking in all the testimony offered and considering its carefully and all of the Members of the Board of Viewers having been on the ground we agreed, estimated and determined the amount of the damages and the Schedule of Damages was offered. That after hearing all the testimony and all exceptions and giving all matters before us due consideration, we are of the opinion that because of the appropriation of land of the owner, the effect on the remaining portion of land and on the club house as affected by the improvement of State Highway Route #11030 and affected thereby we assess no benefits and damages in the sum of TWENTY-NINE HUNDRED FIFTY (\$2950.00) DOLLARS.

The said sum of Twenty-nine hundred fifty (\$2950.00) Dollars as aforesaid be paid to THE AMERICAN POLISH CITIZENS CLUB as their interest may appear by the Borough of Nanty-Glo, Cambria County, Penna.

It was shown that the Borough of Nanty-Glo assume the payment of the damages as per agreement between itself and the State Highway Department of the Commonwealth of Pennsylvania.

IN WITNESS WHEREOF we have set our hands and affixed our signatures this First day of September A. D. 1952.
