In the Court of Quarter Sessions  
of Cambria County, Pennsylvania,

No. 4 March Sess. 1923 R.D.

REPORT OF VIEWERS.

To the Honorable, the Judges of said Court.

We, the undersigned Viewers, appointed by the annexed Order of the above Court, to view the place proposed for the Bridge where the Knepper's Mill Road crosses Laurel Run 1050 feet southwest of the intersection of this road with the road leading to No. 6 Schoolhouse and the Village of Beaverdale, in the Township of Croyle, County of Cambria and State of Pennsylvania, respectfully report:-

That we were duly sworn or affirmed as members of the permanent Board of Viewers of Cambria County, as shown by the records of said Court, gave due public notice of the time and place of meeting of said Viewers by handbills posted on the premises and by notice served on the Commissioners of Cambria County and upon John F. Hice, Secretary of the Board of Supervisors of Croyle Township, at least ten days prior to the time of the making of the said view, evidence of which is shown by copy of said notices hereto attached and made a part of this report; that we met upon the premises according to the notices given on Wednesday, April 25th. A. D. 1923 at 10:00 o'clock A. M. and proceeded with the duties of our appointment.

We viewed the site and locality of the Bridge proposed to be built, making a personal inspection of the grounds at the points designated in the petition and order.

We are of the opinion and agree, that at a point where the Knepper' Mill Road in Croyle Township crosses Laurel Run 1050 feet South west of the intersection of this road with the road leading to No. 6 Schoolhouse and the Village of Beaverdale a Bridge is necessary.

We are also of the opinion and agree that the expense of constructing the said Bridge is more than the inhabitants of the Township of Croyle should bear and we therefore recommend proper assistance by the County of Cambria.

We therefore lay out and return for Public use said Bridge having due respect to the shortest distance and the best ground for same and in such manner as would as near as practicable to the desire of the petitioners and at the same time do the least injury to private property, a plot or draft showing the location and sketch of said proposed bridge is hereto attached and made a part of this report. The termini of said proposed bridge being shown in said draft.

WITNESS our hands this 2nd. day of June, A. D. 1923.

No. 4 March Term 1923.

RECOMMENDATION BY THE GRAND JURY.

And now the 8th day of June, A.D. 1923; the report of the Viewers  
in the above stated case having been, by order of the Court, laid before  
the Grand Jury, are of the opinion and do find that the aforesaid  
bridge is necessary and that the erection of the same will require more  
expense than it is reasonable for the Township of Croyle in said  
County to bear.

We consider and find that it is proper to assist the Township of  
Croyle in the building and the erection of said Bridge, and we there-  
fore recommend that the Commissioners of Cambria County appropriate  
and furnish to the Township of Croyle out of the County Funds such  
sum of money to be used in the construction of said Bridge as the  
said Commissioners of Cambria County may deem just and equitable,  
under all the circumstances.

J. P. Yeager  
Foreman, Grand Jury.

Now June 20, 1923, the foregoing recommendation of  
the Grand Jury is hereby approved.
