ROAD IN ADAMS TOWNSHIP,  
CAMBRIA COUNTY, PENNSYLVANIA.

NO. 1, DECEMBER SESSIONS, 1932.

REPORT OF VIEWERS.

TO THE HONORABLE, THE JUDGES OF SAID COURT:

We, the undersigned Viewers, appointed by the above Order of Court for the purpose of inquiring into the necessity of a public road in Adams Township, Cambria County, Pennsylvania, beginning at a point on the division line between Cambria County and Somerset County, in the Township aforesaid, at the Northeast terminus of a public road leading from the Somerset-Cambria County line to Windber, Somerset County, Pennsylvania, later opened by Somerset County, to a point in Adams Township, Cambria County, Pennsylvania, at the Southerly line of a public road leading from Elton, Cambria County, Pennsylvania, to Bedford, Bedford County, Pennsylvania, respectfully report:-

That we were duly sworn or affirmed as members of the Permanent Board of Viewers of Cambria County, as shown by the records of said Court; that we gave due public notice of the time and place of said meeting of Viewers by hand bills posted upon the premises, and by notice served upon the Commissioners of Cambria County, Pennsylvania, upon Percy Allen Rose, Esq., counsel for the petitioners, and upon G. W. Wright, Secretary of the Board of Supervisors of Adams Township, all of whom accepted service at least ten days prior to the time of the making of the said view, evidence of which is shown by copies of said notices hereto attached and made a part of this report; and that we met upon the premises according to the notice given, at the place of beginning, on the tenth day of February, 1933, at ten o'clock A. M., and proceeded with the duties of our appointment.

We viewed the site and locality of the road proposed to be laid out, making an inspection of the ground in the petition and order. There were present at said view a large number of citizens interested in having the road laid out, together with Attorney Percy Allen Rose, counsel for the petitioner, Jacob Wingard and G. W. Wright, members of the Board of Supervisors of Adams Township, and Philip E. Caulfield, James McCann and Mahlon J. Baumgardner, Viewers.

We are satisfied that the necessity for a public highway exists and, therefore, we lay out for the use of the public a highway beginning at a point at the intersection of a highway leading to Windber, an abandoned highway, distant 400.60 feet from said intersection to the dividing line between Paint Township, Somerset County, and Adams Township, Cambria County;

thence from said point, which is 400.60 feet distant from said intersection to the point of beginning at the dividing line between Somerset and Cambria Counties; thence North 19° 58' East 340.15 feet to a point; thence North 51° 4' East 515 feet to a point; thence North 21° 3' East 388 feet to a point; thence North 68° 57' West 258 feet to a point; thence North 21° 3' East a distance of 647 feet to a point at the intersection of a road leading from Elton to Bedford in the Village of #42, in the Township of Adams, Cambria County, Pennsylvania. The portion of the road we herewith lay out is indicated in green on the blue print hereto attached and made a part of this report.

We, therefore, lay out for public use the road hereinabove described, with courses and distances, and as shown more particularly on the blue print hereto attached.

IN WITNESS WHEREOF, we have hereunto set our hands and seals this 17th day of February, in the year of our Lord one thousand nine hundred thirty-three (1933.)

NOTE. "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report at the next term of said Court, and in the said report shall state particularly: First, who of them were present at the view, second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
