Report of Viewers.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned members of the board of viewers of Cambria County appointed by your honorable court upon the attached order, and therein directed to view and determine as to the necessity for a public road in Summerhill Township between the points of beginning and ending specified in said order, respectfully report:-

That having given due notice of the view and of the time and place of meeting of the viewers, to the Commissioners of Cambria County and the Supervisors of Summerhill Township, by having them accept service of notices hereto attached and to the traveling public by printed hand bills posted in public and conspicuous places at and near the terminal points of the proposed new road, and having first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability; all of us met at the time and place appointed, in accordance with the notices given and having carefully viewed the premises are of the opinion that there is a necessity for a public road between the said points in such a manner as would do the least injury to private property, make the best grade with the best ground for a road and at the same time be agreeable to the desire of the petitioners and convenient for the traveling public, a plot or draft of which said road is hereto attached and made a part of this report.

Said road as laid out and recommended by the viewers takes the following course and distances: beginning at the line dividing the County of Bedford from Cambria County where the Division line intersects the public road leading from said line to the Village of Pavia, in Bedford County, and running thence thru and over unimproved lands of the Mountain Coal Co., and the Royalhanna Coal Co. as follows, North 65° West 360 ft., South 81° West 500 ft., North 80° West 500 ft., South 86° West 350 ft., North 46° 30' West 400 ft., North 29° 30' West 400 ft., South 41° West 420 ft., South 46° West 600 ft., South 58° 31' West 500 ft., South 42° 30' West 300 ft., South 64° 30' West 190 ft., North 46° 30' West 300 ft., South 88° 30' West 300 ft., South 88° West 600 ft., North 59° West 500 ft., North 7° 30' West 500 ft., North 5° 30' West 1100 ft., North 63° 30' West 200 ft., North 85° 30' West 300 ft., North 46° West 200 ft., North 2° East 500 ft., North 19° West 200 ft., North 78° 30' West 1000 ft., North 36° West 1200 ft., North 70° 30' West 464 ft., North 68° West 238 ft., North 46° West 247 ft., North 61° 30' West 498 ft., North 83° 15' West 346 ft., North 81° West 126 ft., North 83° 45' West 232 ft., North 78° 15' West 169 ft., North 75° 30' West 324 ft., North 84° 30' West 199 ft., North 88° 40' West 148 ft., North 84° 30' 164 ft., North 74° 30' West 165 ft., North 61° 30' West 120 ft., North 55° 30' West 116 ft., and North 61° 45' West 144 ft., to the point of ending on the public road leading from Lloydell.

Report of Viewers.

To the Honorable the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned members of the board of viewers of Cambria County, appointed by your Honorable Court upon the attached order and therein directed to view and ascertain the necessity for a public road in East Carroll Township between the points of beginning and ending therein specified, respectfully report:-

That having given due notice of the view and of the time and place of meeting of the viewers to the commissioners of Cambria County and to the Supervisors of East Carroll Township by printed hand bills and, to the traveling public by like notices posted in public and conspicuous places at and in the vicinity of the terminal points specified in said order of Court, and having been first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability; All of us met at the time and place appointed and having carefully viewed the premises are of the opinion that a new road between the termini specified is necessary for the accommodation of the public.

A plot or draft of the road between the terminal points as viewed and laid out is hereto attached and made a part of this report, and shows the said road taking the following courses and distances, viz. Beginning at the Eastern terminus as specified thence South $79^{\circ} 45'$ West 173 ft., and South $48^{\circ} 55'$ West 144 ft. to the Chambersburg and Bradley Junction road, thence along this road South $17^{\circ} 10'$ West 337 ft., thence over grounds of the Pennsylvania Railroad Co. And now, September 17, 1917 on due consideration, the
Court do order and appoint A. M. Shoemaker Esq., Rev.
W. Shryock and Philip Cauffiel to meet and view that
certain section of that certain main traveled or trunk
township road described and referred to in the foreg-
ing petition and report to the Court.
Said viewers shall give notice of the time and place of
meeting by publication, at least once a week for three
successive weeks in at least one newspaper of general
circulation published in Cambria County and shall
also give notice thereof by handbills posted in at least
ten conspicuous places along the line or in the
vicinity of the road proposed to be constructed, improved
or repaired. By the Court.

Pres. Judge.

Now Dec 3, 1917 on motion of H. L. Keim Atty for Petitioners the Court fixed
Argument Court to be held Jan 22, 1918 at the time when it will examine the
Report of Viewers filed herein Dec 5, 1917 and hear objections thereto and direct
that ten days notice thereof be given to the County Commissioners of
Cambria County and by publication in the Cambria County Legal Journal
and one newspaper of general circulation published in Cambria County.

22 January 1918 On Argument List.
22 January 1918 Proof of Publication and Notice of Hearing etc filed.
22 January 1918 Order of Court on Report of Viewers filed.

Now, Jan'y 22, 1918 the cause coming on to be heard, and upon due examination
and consideration of the facts set forth in the Report of Viewers heretofore filed herein
on the 5th day of December 1917 and it appearing that ten days notice of hearing there-
on has been given the County Commissioners of Cambria County and to the public by due
publication, the Court is of the opinion that that certain section of main traveled township
road in West Taylor Township, Cambria County, which beings at a point in Cooper Avenue
on the dividing line between the City of Johnstown and the Township of West Taylor
and extends from thence to a point at Ribblett School House in said Township
is in a dangerous condition and in need of reconstruction, improvement and repair
and that the revenue of said Township is insufficient to pay the cost of doing said
work in a substantial manner and hereby Orders and Directs the County Com-
missioners of Cambria County, to give assistance to the said Township of West Taylor
in the doing of the said work in the amount of Twenty six Thousand Dollars,
or so much thereof as may be necessary. The said work to be done as recommen-
ded by the Viewers and to be carried on and completed in all respects in manner provided by law.

It is further ordered and decreed that the width of that part of the said improved
road which extends from Cooper Avenue on the Johnstown City line to the line of the
right of way of the Johnstown and Cramer Turnpike at the intersection thereof with this
improved road be and the same is hereby fixed at 24 feet between the curb lines.

Report of Viewers.

To the Honorable the Judges of the Court of Quarter Sessions of Cambria County Penn-
sylvania.

We, the undersigned members of the board of viewers of Cambria County,
appointed by your honorable Court upon the attached order and therein directed
to view and determine as to the propriety of vacating and supplying a certain piece
of public road in Cambria Township, between the points of beginning and ending
specified in said order, respectfully report:-

That having given due notice of the view and of the time and place of meeting
of the Viewers, to the Commissioners of Cambria County, and the Supervisors of Cambria
Township, by having them accept service of notices hereto attached, and to the
traveling public by printed hand bills posted in public and conspicuous
places at and near the terminal points of the piece of road to be viewed,
and having been first duly qualified according to law to perform the duties of
our appointment faithfully, impartially and to the best of our judgment and ability,
All of us met at the time and place appointed and having carefully viewed the
premises are of the opinion that the prayer of the petitioners should be granted
and that the piece of road beginning at the southerly terminus specified in the
attached order and running thence along the present road the following courses
and distances, viz: North 7° East 175 ft., North $00^{\circ} 10'$ West 550 ft., North $1^{\circ} 25'$ West 170 ft.,
North $40^{\circ} 50'$ East 64.5 ft., North $51^{\circ} 30'$ East 73.5 ft., North $16^{\circ} 30'$ East 81 ft., North 13° West 124 ft.,
North $18^{\circ} 10'$ East 63 ft., North 30° East 432 ft., and North 28° East 786 ft., to the northerly
terminus should be vacated and a piece of road taking the following courses and
distances, viz: North 7° East 175 ft., North $00^{\circ} 10'$ West 550 ft., North $1^{\circ} 25'$ West 170 ft., North
 $3^{\circ} 15'$ East 103 ft., North $13^{\circ} 10'$ East 107 ft., North $26^{\circ} 30'$ East 97 ft., North 29° East
74 ft., North 30° East 432 ft., and North 28° East 786 ft. should be supplied.

The piece of road recommended to be vacated takes the direction "A. B. C. D. E."
as shown on the plot or draft hereto attached and made a part of this report.
and the piece of road recommended to be supplied takes the direction "A. B. F. D. E."
on the same draft.

Being of the opinion that no damage will be sustained by the owner of the
property over whose land the new piece of road is laid out, we have assessed
no damages. The piece of road recommended by the viewers to be vacated is
in their opinion very dangerous.

viewers appointed by the annexed order of the Court to view the roads within
mentioned, respectfully report; that we have been duly sworn or affirmed
as members of the permanent board of Viewers as shown by the records of the
Court, that having given due public notices as required by law, along the route
and at the termini of said proposed road and road to be vacated and
by service of such notices on the Commissioners of Cambria County and the
Supervisors of Middle Taylor Township and Solicitor of Rosedale Borough, accept-
ance of said notices by the Commissioners,
ance of said notices by the Commissioners, Supervisors and Solicitor herewith
attached, that we met in accordance with the notices given, on the 29th day
of October A.D. 1917 at 10 o'clock A.M. and proceeded with the duties of our
appointment, and viewed the premises and route proposed to be vacated, and
are of the opinion that there is an occasion for a public road as prayed
for by the Petitioners and therefore proceeded to lay out same, having due respect
to the shortest distance and the best ground for a road and in such manner
as would be as near as practicable agreeable to the desire of the Petitioners and
at the same time do the least injury to private property, that by the laying out of
the proposed new road we find that the portion of the public road prayed for
to be vacated will become useless, inconvenient and burdensome to the tax payers.

A plot or draft showing the proposed new road and the portion of road to be
vacated is hereto attached and made a part of this report and herewith
returned for public uses. The courses and distances of each road being
shown thereon, the plot or draft herewith attached shows the improvements
and the owners of the adjacent property along the route of said road, said road
passing entirely through the property owned by the Cambria Steel Company
we obtained a release of damages from the said Cambria Steel Company
said being hereto attached and made part of this report.

During the view on the ground a representative of the Supervisors and of the Petitioners
were present and after due consideration of all the matter before us we are of the opinion
that the road prayed for by the Petitioners and laid out by us, is necessary,
and that the portion proposed to be vacated by reason of laying out of the
new road will become useless, inconvenient and burdensome, therefore we
recommend that the prayer of the Petitioners be granted.

17 December 1917 Petition filed.

To The Honorable Judges of said Court.

Your petitioners being the Township Supervisors of
the Township of Reade, Cambria County, respectfully
represent that they deem it advisable to change a
part of the public road leading from the Village of
Fallen Timber to the Village of Glasgow, in said Town-
ship, and to vacate that portion of said road from
its point of intersection with the public road leading
from the Village of Van Orner to the Borough of Coalport

to a point one thousand three hundred and eighty (1380) feet Eastward from
said point of intersection, and to supply the same with a new road, beginning
at a point in the said public road leading from the Village of Van Orner to
the Borough of Coalport, two hundred (200) feet North of the point of intersection
of the said roads as now located, and running in an Easterly direction one
thousand three hundred and seventy (1370) feet to a point in the present
road leading from the Village of Fallen Timber to the Village of Glasgow, all of
which changes are within the Township of Reade and are shown upon the
draft hereto attached.

That arrangements have been made with the property owners along said
proposed road and the amount of damages has been agreed upon, and that the
costs and expenses of the said change or alteration, including damages will not
exceed the sum of Three Hundred (\$300.00) Dollars and your petitioners pray

Report of Viewers.

To the Honorable the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.
We, the undersigned members of the Board of Viewers of Cambria County, appointed
by your honorable Court, upon the attached order, for the purposes therein specified,
respectfully report:-

That having given due notice of the view and of the time and place of meeting
of the viewers, to the Commissioners of Cambria County and to the Supervisors of
Jackson Township, by having them accept service of notices hereto attached, and to the
traveling public, by printed hand bills posted in public and conspicuous places at and
near the terminal points of the road to be viewed, and having been first duly qualified
according to law to perform the duties of our appointment faithfully impartially and to
the best of our judgment and ability, all of us met in accord with the notices so given
and having carefully viewed the premises, we are of the opinion that a new road,
between the terminal points (indicated on the attached draft as "A" & "F") is necessary
for the convenience of the traveling public, and that the piece of public road now in use,
indicated on draft as taking the direction of "J" & "I" ("J" & "F") should be vacated.

The piece of road as laid out and recommended to be opened between the points of
beginning and ending designated on the attached order of Court: and as shown
on the plot or draft hereto attached and made a part of this report: takes the
following courses and distances, viz:- Beginning at a point 120 feet south of the
concrete bridge over Berquin Run, on the road leading from the Village of Nanty Glo, to Monday
Corner, and running as follows:- South 69° 15' East 160 feet, South 35° 30' East 155 feet,
South 7° 58' East 128.7 feet, South 11° 32' West 230.5 feet, South 10° 41' West 208.4 feet South

between points marked "J" and "F" on the attached draft, beginning on the Nanty Glo and Monday's
road where the road leading to the Twin Rocks road, near the Rager School House, and to Dain-
Karrs farm leads off the present road some six hundred fifty feet southward from the con-
crete bridge above referred to, and extending thence as follows:- South 10° 00' West 63 feet South

As the proposed new road is laid out through unimproved land, most of which is
uncleared, and as no damages result from the opening of same, we assessed no damages.

The portion of the old road proposed to be vacated is, in places, of an excessive grade, and
is really dangerous having a maximum grade of about 22 1/2 per cent and in our opin-
ion should be vacated while the proposed new road with a very uniform grade reaching
approximately eight percent for the maximum should be supplied.

9 August 1918 Proof of Publication and decree filed.

And now, the 6th day of August 1918, this cause coming on to be heard upon due consideration and examination of the facts set forth in the report of viewers heretofore filed herein, and it appearing that ten days notice of hearing thereon has been given the County Commissioners of Cambria County and to the public by due publication, the Court is of the opinion that that certain section of main traveled Township Road in the Township of Stonycreek, Cambria County, Beginning at a point on the Bedford Road on the division line between the City of Johnstown and Stonycreek Township, thence continuing along and parallel to Solomon's Run in an Easterly direction through Stonycreek Township to a point on said Bedford Road on the division line between Stonycreek Township and Richland Township, for approximately six thousand (6000) feet, and commonly known as the Bedford Road, is in a dangerous condition and in need of reconstruction, improvement and repair and that the revenue of Township of Stonycreek is insufficient to pay the cost of doing said work in a substantial manner, and hereby orders and directs the County Commissioners of Cambria County to give assistance to the said Township of Stonycreek in the doing of the said work in the amount of \$2,000 or so much thereof as may be necessary the said work to be done as recommended by the Viewers and to be carried on and completed in all respects in manner provided by law.

It is further ordered and decreed that the width of that part of the said road to be improved be and the same is hereby fixed at 20 feet between the curb lines, and that a clay drive way shall be provided on the Southerly side of said road of not less than 8 feet in width.

Payments by the County Commissioner under this order to be made out of the funds provided for the fiscal year 1919.

Report of Viewers.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County,
Pennsylvania.

We, the undersigned members of the board of viewers of Cambria County, appointed
by your honorable Court, upon the attached order, and therein directed to view and
determine as to the propriety of vacating and supplying certain portions of the
public road, in Reade township, between Glasgow and the Blair County line, respectfully
report:-

That having given due notice of the view and of the time and place of
meeting of the viewers to the Commissioners of Cambria County and the Sup-
ervisors of Reade township, by having them accept service of notices hereto
attached, and to the traveling public by printed hand bills posted in public
and conspicuous places at and near the termini and along the line of
the road to be viewed; and having been first duly qualified according
to law to perform the duties of our appointment faithfully, impartially and
to the best of our judgment and ability; all of us met at the time and place
appointed in accordance with the notices so given and having carefully
viewed the premises are all of the opinion that the road as laid out on the
order of this Court entered to No. 4 March Sessions 1917, between the Cambria
and Blair County line and the intersection of the public road and the Lloydville
Station should be opened for public use and the two short pieces of road as
indicated on the plot or draft hereto attached and made a part of this
report should be vacated and supplied; that is to say the piece of road
indicated on said draft as "D" "E" "F" should be vacated and instead thereof
that marked "D" "G" "H" "I" supplied instead and secondly the piece of road
taking the direction of "J" "L" "K" supplied.

Having failed to secure releases of damages from the parties through
and over whose land the the two last mentioned changes in the road were
laid out we have assessed twenty five dollars damages each to Messrs.
McCartney & Bower and to R. L. Boon.

The plots or drafts showing the proposed new road and the portion of road to be vacated are hereto attached and made a part of this report and herewith returned for public use. The courses and distances of each road being shown thereon. The plots or drafts herewith attached shows the improvements and the owners of the adjacent property along the route of said road. The said road passes along through or over land of John Findley, Sacred Heart Cemetery Association, William Vickroy, Albert Rosenbaum, Emanuel Vickroy, John Rosenbaum and Conemaugh Improvement Company, we obtained a release of damages from the Conemaugh Improvement Company same being hereto attached and made a part of this report. They were unable to secure a release of damages from John Findley, Sacred Heart Cemetery Association, Albert Rosenbaum, William Vickroy, Emanuel Vickroy, John Rosenbaum.

Therefore taking into consideration the damages sustained and the benefits to be derived by the opening, improving and maintaining of said new road, we assess benefits and damages as follows:

Report of Viewers.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned members of the permanent board of viewers of Cambria County, appointed by your honorable Court upon the attached order and therein directed to view and determine as to the necessity for a piece of public road in Reade Township between the points of beginning and ending specified in said order respectfully report:

That having given due notice of the view and of the time and place of meeting of the viewers to the Commissioners of Cambria County and to the supervisors of Reade Township by having them accept service of notices hereto attached and to the traveling public by printed hand bills posted in public and conspicuous places at and near the terminal points and in the vicinity of the piece of road to be viewed, and having been first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability. All of us met in accord with the notices so given and having made a careful and thorough investigation of the whole situation we are of the opinion that the piece of road in question is necessary for the convenience of the public.

This piece of road as viewed and laid out is over the route of an old road which was vacated some three years ago and takes the following courses and distances viz: Beginning at the termini noted on the attached order on the line dividing the townships of Reade and Dean, and extending thence N. 77° E. 46 ft. S. 65° E. 134 ft. S. 60° East 206 ft. S. 75 1/2° E. 252 ft. S. 62° E. 168 ft. S. 55° E. 340 ft. S. 45° E. 137 ft. S. 88° E. 165 ft. N. 86° E. 59 ft. S. 77° E. 74 ft. N. 81° E. 302 ft. N. 73° 30' N. 266 ft. to the point of ending, more definitely described on the attached order of Court and petition, on the public road, now a State road leading from Trugality to Dean.

As a matter of information the viewers beg leave to submit the following. Upon a thorough investigation the viewers find that the road petitioned for, which was previously vacated upon a report of the same viewers, is the most direct route the shortest distance and the best grade from the vicinity of Trugality to the top of the mountain.

That if opened for public use this road would be a great convenience and accommodation to the traveling public and especially to those residing at and near Trugality and the adjoining townships. At the time of holding the former view in 1916 but a single person from Reade Township appeared and protested against the vacating of the road while on the occasion of the present view but a single individual protested against the laying out and opening of the same. Report of Viewers.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania. We, the undersigned members of the board of viewers of Cambria County, appointed by your honorable Court upon the attached order and therein directed to view and determine as to the necessity for a public road in Portage Township, said county and state, between the termini specified in said order, respectfully report:-

That having given due notice of the view and of the time and place of meeting of the viewers, to the Commissioners of Cambria County and the Supervisors of Portage township, by having them accept service of notices hereto attached, and to the traveling public by printed hand bills posted in public and conspicuous places at and near the terminal points of the proposed road, and having been freely qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability, all of us met at the time and place appointed in accord with the notices so given and having carefully viewed the premises, are all of the opinion that the road as petitioned for is necessary.

A plot or draft showing the location of the road as laid out is hereto attached and made a part of this report. Said road as laid out takes the following courses and distances, viz: Beginning on the public road leading from Portage to the Frankstown road at the farm of Mike Yetko, and running thence North 84° West 746 ft., across land of said Yetko and John Shaffranek to line of land of C. H. Anderson; thence across land of said Anderson and along line of land of Samuel Finacy, James Sheridan, the Martin Realty Co. and John Tishura; South 62° 45' West 2446 ft. to line of land of Joshua Riblett thence across land of said Riblett North 82° 30' West 796 ft. to the public road leading from Portage to the Frankstown road. Said points of beginning and ending above referred to being the same as are specified in the attached order.

Having failed to secure releases of damages from Mike Yetko and Joshua Riblett we have estimated the damages sustained by Mike Yetko at thirty five dollars and the damages sustained by Joshua Riblett at seventy five dollars.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania
We, the undersigned members of the board of viewers of Cambria County, appointed by
your honorable Court to review and determine as to the necessity for a piece of public road
in Richland Township, Cambria Co., Pa., between the termini mentioned in the attached order
respectfully represent:-
That having given due notice of the view and of the time and place of meeting of
the viewers, appointed to review the piece of road above referred to, to the Commissioners
of Cambria County and the Supervisors of Richland Township and having them accept
service of notices hereto attached, and to the traveling public by printed hand bills,
posted in public and conspicuous places, at and near the termini of the proposed
new road, and having been first duly qualified according to law to perform the duties
of our appointment faithfully, impartially and to the judgment and ability; All of
us met in accord with the notices so given and having gone over and carefully
viewed the premises we are all of the opinion that the piece of road in question
is necessary for the accommodation of the traveling public and that the report
of the viewers should be confirmed and the piece of road as prayed for by the petitioners
granted. The piece of road as laid out by the viewers and confirmed by the
re-viewers, a plot or draft of which is hereto attached and made a part of this report,
takes the following courses and distances, viz: Beginning on the public road, which
connects the State Aid Road leading from Morhau to Gettysburg with the Bedford Pike, known
as State Street, at a point on line which divides land of Jacob Widmann and Milton G. Laton;
this being one of the termini noted in the attached order, South 53° 25' East 234 feet, thence
passing property of Edward Friedhoff, N. Widmann & others, South 70° 44' East 101 feet, thence South 85° 28'
East 417 feet to a point opposite property of James J. Ruth, thence along property of said James J. Ruth
North 65° 35' East 156 feet, thence North 34° 30' East 908 feet to a point on the Bedford Pike between
properties of L. J. Hornick and John Heilman, this being the other termini noted on the attached
order, and being substantially what is known as Orchard Avenue on the plan of Oakmont as laid out
in 1909.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned members of the board of viewers of Cambria Co. Pa., appointed by your honorable Court, upon the attached order, respectfully Report:

That having given due notice of the view and of the time and place of meeting of the viewers to the Commissioners of Cambria County and the Supervisors of Cambria Township, and having them accept service of the notices hereto attached, and to the traveling public by printed hand bills posted in public and conspicuous places at and near the terminal points of the road to be viewed: All of us met at the time and place specified in the notices so given, and having been first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability; after carefully viewing the premises, observing the pieces of public road proposed to be vacated and the piece of road proposed to be supplied, we are of the opinion that the prayer of the petitioners should be granted and the piece of road beginning at a point on the Ebensburg and Nicktown Road about four hundred feet Northward from where the road from Colver joins said Ebensburg-Nicktown road and running thence South $63^{\circ}34'$ East 588 feet, South $87^{\circ}45'$ East 250 feet, South 64° East 349 feet, South 48° East 424 feet, South $51^{\circ}10'$ East 448 feet and South 68° East 370 feet, lying between points marked "A" and "B" on the plot or draft hereto attached and made a part of this report, and also that lying in the direction of North 29° East 762 feet North $26^{\circ}20'$ East 310.6 feet, North $38^{\circ}32'$ East 400 feet and North $27^{\circ}15'$ East 450.5 feet between points marked "C" "D" & "E" on the attached draft should be vacated; and a piece of road beginning at the juncture of the road leading from Colver with the Ebensburg-Nicktown road and taking the following courses and distances, viz: South $70^{\circ}45'$ East 654 feet, South $60^{\circ}02'$ East 1220.5 feet and North 71° East 1658 feet to a point on the Ebensburg and Carrolltown Blank Road 1314 feet South of the juncture of the road leading past the Wm Rowland farm to the Herman or Halfway School House with the said Ebensburg-Carrolltown road, indicated between points marked "F" "G" "H" on attached draft, thence Southward along said Ebensburg-Carrolltown road to the point of ending designated on attached order, should be supplied.

Having failed to obtain releases of damages from Evan Griffith and A. M. Bash we have estimated they will suffer damages as follows: Evan Griffith \$40.00 A. M. Bash \$1200.00

Report of Viewers.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania
We, the undersigned members of the board of Viewers of Cambria County, appointed
by your honorable Court, upon the attached order, to view and determine as to the
necessity for a private road from the dwelling house and premises of J. H. Burkhardt
in Jackson Township, Cambria County, Pennsylvania, to a point on the public
road leading from Vince to Burkhardt, in said township, County and State, respect-
fully report:-

That having given due notice of the view and of the time and place of meeting
of the viewers to the petitioner, the parties through and over whose land said
petitioner desired to reach the public road and the Commissioners of Cambria
County by presenting them with a copy of the notice hereto attached and to
the general public by printed hand bills posted at and near the termini,
on said public road, suggested in said attached order, and being first duly
sworn according to law to perform the duties of our appointment faith-
fully, impartially and to the best of our judgment and ability, All of us met
at the time and place specified in the notices so given and having gone carefully
over the premises, we are of the opinion that the petitioner has need of a private
road between his premises and the public highway.

That, although there is now a private road between the dwelling house and
property of the petitioner and the public road it is impracticable and therefore
we proceeded to lay out a private road as follows, viz: Beginning at the terminus
on the public road leading from Vince to Burkhardt, as specified on said
attached order, and following thence along said public road these four courses
and distances: South $40^{\circ} 34'$ West 885 feet, South $27^{\circ} 01'$ West 346 feet, North $87^{\circ} 25'$
West 299 feet and South $45^{\circ} 40'$ West 40 feet, thence through and over land of the
Brown heirs, along the South westerly line of said premises, by a twenty foot lane,
taking these courses and distances, namely North $41^{\circ} 00'$ West 340 feet, and North
 $36^{\circ} 00'$ West 1948 feet, which said strip of ground, with the exception of the last seven
hundred fifty seven feet, has already been laid out by said Brown heirs as a private
road for the use of said heirs respectively.

We have awarded damages to said heirs as follows; to Daniel H. Brown the sum
of twenty (\$20.00) dollars, to Mary M. Grove the sum of twenty-five (\$25.00) Dollars
to Lucy A. Hertz the sum of Thirty (\$30.00) Dollars, to Rachel V. Frantz the sum of
thirty five (\$35.00) Dollars and to Ida H. Wilson the sum of fifty (\$50.00) Dollars.

To the Honorable, the Judge of the Court of Quarter Sessions of Cambria County, Pennsylvania:

We, the undersigned members of the board of viewers of Cambria County, appointed by your honorable Court, upon the attached order, and therein directed to view and determine as to the necessity for a certain piece of public road in Croyle Township, Cambria County, Pennsylvania, between the termini therein specified; respectfully report:

That having due notice of the view and of the time and place of meeting of the viewers to the Commissioners of Cambria County and the Supervisors of the Township of Croyle by having them accept service of notices hereto attached, and to the traveling public by printed hand bills posted in public and conspicuous places at and near the termini of the piece of road proposed to be viewed; and having been first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability; we met at the time and place appointed and having gone over and carefully viewed the premises, we are of the opinion that the piece of road in question; a plot or draft of which is hereto attached and made a part of this report; is necessary for the accommodation of the public and that the prayer of the petitioners should be granted.

The piece of road viewed and petitioned for takes the following three courses and distances, from the point of beginning at the South Fork borough line, more definitely specified on the attached order and indicated on the attached draft, viz; South ^{thirty five} degrees East four hundred fourteen feet, thence South thirty nine degrees thirty minutes (39° 30') East seven hundred thirty-eight feet and South forty six degrees forty five minutes (46° 45') West one hundred ninety two feet to the terminus on the State road as specified on said Order of Court. The said piece of road for the whole distance being laid out over a private or dedicated street already in use and no damage being sustained by any of the property owners none are assessed. Said piece of road passes in front of properties of Elias Link, Mrs. Penrod, Elmer Noon, William Miller, John W. Speer, Leslie Jones, Daniel Hillegas, W. Hostzel, John Hostzel, Philip S. George, Mrs. — Bennett, M. Launder and others.

To the Honorable, the Judges of the above mentioned Court. We the undersigned Viewers appointed by the annexed order of the Court to view the road within mentioned, respectfully report:

That we have been duly sworn or affirmed as members of the permanent board of Viewers of Cambria County, as shown by the records of the Court, that having given due public notice of the said view and of the time and place of meeting by posting notices as required by the law along the route and at the termini of said proposed new road and by services of such notice on the County Commissioners of Cambria County and the Supervisors of Upper Yoder Township, Cambria County, acceptance of said notice by the Commissioners and Supervisors being hereto attached; that we met in accordance with the notice given on the 17th day of August A.D. 1920 at 10 o'clock A.M. and proceeded with the duties of our appointment and viewed the premises and route of the proposed new road, that we are of the opinion that there is a necessity for a public road as prayed for by the petitioners, therefore proceeded to lay out said new road, having due respect for the shortest distances and the best ground for a road, and in such manner as would be as near as practicable agreeable to the desire of the Petitioners and at the same time due the least injury to private property.

A plot or draft hereto attached and made a part hereof shows the plan of the proposed new road and the courses and distances. The road as laid out passes through the property of Margaret Hochstein, Samuel Alvine and Harry E. Belkley. These properties are now laid out in building lots.

We were unable to secure a release of damages from the abutting property owners along the route of the proposed road, therefore taking into consideration the damages sustained ^{and} the benefits to be derived by the opening, improving and maintaining of said new road, we assessed no benefits and no damages to any of the abutting property owners. During the view on the ground a number of Petitioners and residents were present. After viewing the premises and taking into consideration all the matter before us we are of the opinion that the road as prayed for by the Petitioners and laid out by us is necessary and convenient therefore we recommend that the prayer of the Petitioners be granted.

To the Honorable the Judges of the above mentioned Court. We the undersigned Viewers appointed by the annexed order of the Court to view the road within mentioned, respectfully report:

That we have been duly sworn or affirmed as members of the permanent board of Viewers of Cambria County, as shown by the record of the Court; that having given due public notice of the said view and of the time and place of meeting by posting notices as required by law along the route and at the termini of said proposed new road and road to be vacated and by services of such notices on the County Commissioners of Cambria County and the Supervisors of West Taylor Township, acceptance of said notices by the Commissioners and Supervisors being hereto attached; that we met in accordance with the notices given on the 1st day of November A.D. 1920 at 10:00 o'clock A.M. and proceeded with the duties of our appointment and viewed the premises and route of the proposed road and the portion of road proposed to be vacated, and are of the opinion that there is an occasion for a public road as prayed for by the Petitioners and therefore proceeded to lay out same, having due respect to the shortest distance and the best ground for a road and in such a manner as would be near as practicable agreeable to the desire of the Petitioners and at the same time do the least injury to private property; that the portion of the road proposed to be vacated is very dangerous and inaccessible the largest portion of the year, due to extreme grades, that the graded on about 700 feet of the portion proposed to be vacated approximates nearly 20% that by the laying out of the proposed new road we find that the portion of the public road prayed for to be vacated will become useless, inconvenient and burdensome to the taxpayers.

A plat or draft showing the proposed new road and the portion of road to be vacated is hereto attached and made a part of this report and herewith returned for public use. The course and distances of each road being shown thereon the proposed new road being colored in green on said plat or draft and the portion proposed to be vacated being colored red in said plat or draft. The plat or draft hereto attached shows the improvements and the owners of the adjacent property along the route of said road to be vacated and supplied, said improvements passing through or along the land of the Cambria Iron Company, John W. and M. S. Rogers, and John Sprockitt, we being unable to secure a release of damages from any of the above named property owners. Therefore stating with consideration the benefits and damages that have occurred or seem likely to occur by the reason of said vacating and supplying of said road, have assessed no benefits and no damages to any of the property owners, through or along whose ground said road passes.

During the view on the ground several persons were present and heard and after due consideration of all the matter before us we are of the opinion that the road prayed for by the Petitioners and laid out by us is necessary and that the portion proposed to be vacated by reason of the laying out of the new road will become useless, inconvenient and burdensome, therefore we recommend that the prayer of the Petitioners be granted.

We, the undersigned members of the board of viewers of Cambria county,
appointed by your honorable Court to view and determine as to the necessity
for a public road in Susquehanna Twp, said county and state, between the
terminal points specified on the attached order, respectfully report:

That having given due notice of the view and of the time and place of meeting
of the viewers to the Commissioners of Cambria County, the Supervisors of Susque-
hanna Township and the traveling public by printed hand bills as re-
quired by law and having been first duly sworn according to law to

given and having carefully viewed the premises and the location
suggested for a new road between the terminal points definitely
specified on the attached order of Court and are of the opinion
that there is a necessity for a public road as prayed for by the
petitioners and therefore we have laid out a public road between said
termini as follows: Beginning at a point on the public road 1091
feet in a southerly direction along said road from its intersection
with the road leading from Barnesboro to Garman's Mills, which said
point is opposite the Steel Corner Public School House and extending

Report of Viewers

To the Honorable Judges of the above mentioned Court:

I.e., the undersigned viewers appointed by the above Court to view the ground
proposed for a new road to replace a part of the road from the Borough of Wilmore
toward the town of New Germany if there is occasion for such road, respect-
fully report;

That we were duly sworn or affirmed as members of the permanent
board of viewers as shown by the records of the court; that due public notice of
the time and place of the meeting of the viewers was given all interested
parties by publication in the Johnstown Tribune and by hand-bills posted
on the premises at least ten days prior to the time of making said view.
Attached to this report are original notices as published and posted aforesaid.
That we met upon the premises according to the notices on the 28th day of
December A.D. 1920 at ten o'clock A.M. and proceeded with the duties of our
appointment. That after viewing the old road and the ground for the
proposed new road, we were of the unanimous opinion that the old road
was a source of much inconvenience to the inhabitants of the township of
Summerhill because grade of road was too steep for ordinary traffic and
that a new road should be laid out. That we proceeded to lay out the
new road having respect to the best ground for a road and in such a
manner as to maintain a minimum grade and also to do the least
injury to private property and far as practicable agreeable to the desires
of the petitioners, that the road was laid out according to the best
engineering practice and a plan was drawn showing the plan and
profile of both the old and new road, attached to and made a part
of this report is the aforesaid plan.

We are of the opinion that the old or present road causes the inhabitants
of Summerhill township to labor under an unnecessary inconvenience due
to the steep grade of the road and that the new road as laid out
on the ground and as shown on the plan would eliminate much of
the inconvenience and would be an aid to the township inhabitants in
their daily work.

Therefore, we are of the opinion that the prayer of the petitioners should
be granted and the old road be vacated between the points as shown
on the plan and the new or proposed road is necessary as a public road
between the points mentioned.

Report of Viewers

To the Honorable the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania. We, the undersigned members of the permanent board of Viewers of Cambria County, appointed by your honorable Court, upon the attached order, to view and determine as to the propriety of vacating and supplying certain portions of township road in Blacklick Township, Cambria Co., Pa., respectfully report:

That having given due notice of the view and of the time and place of meeting of viewers to the Commissioners of Cambria County and the Supervisors of Blacklick Township by having them accept service of notice hereto attached and to the traveling public by printed hand bills posted in public and conspicuous places at and near the terminus and along the route of the portions of road proposed to be vacated and supplied; and having been first duly qualified according to law, to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability:

All of us met, in accord with the notices so given, at the cross roads in the Village of Bethel, said township, county and state, and having gone over the portions of road in question and carefully considered the necessity for the piece of new road proposed to be supplied, and the propriety of vacating the portions of road suggested to be vacated and are of the opinion that there is not a legal necessity for the proposed piece of new road and that the portions of old road in question should not be vacated.

A plot or draft showing the location of the pieces of road referred to on the attached order is hereto attached and made a part of this report: The first piece of road proposed to be vacated, beginning at the cross roads in Bethel, (Point marked "A" on attached draft), takes the following courses and distances, viz: North 32° East 575 ft., North 2° West 685 ft., North 4° West 137 ft., North 43° West 382 ft., North 12° 15' West 301 ft., North 8° 30' West 383 ft., North 70° West 723 ft., and North 22° West 28 ft.; to a point marked "B" on said draft; at the elbow in the Bethel-Carrolltown road designated as the point of beginning of the piece of road proposed to be supplied: and the second piece of road proposed to be vacated begins at point marked "D" on draft and is designated as the point of ending of the piece of road leading from Bethel to Cardiff and Nanty-Glo and extends thence North 27° 30' East 558 ft., North 56° East 337 ft. and North 5° 10' East 1908 ft. to a point on the Clay Pike designated on said draft as point "F," and the piece of road proposed to be supplied begins at point "B" on draft, at the elbow in the Bethel-Carrolltown road and takes the following courses and distances; South 24° 30' West 132 ft., South 39° West 133 ft., South 61° West 347 ft., South 87° West 128 ft., South 61° 15' West 338 ft., North 64° West 153 ft., North 77° 30' West 156 ft., South 42° West 261 ft., South 25° 30' West 411 ft., South 25° 30' West 412 ft., South 23° 45' West 682 ft. to a point on the North side of the Clay Pike and thence continuing across said pike, South 16° 30' West 397 ft., South 11° 15' West 525 ft., South 1° West 670 ft., South 1° 55' West 394 ft., South 12° 45' East 198 ft., South 14° 45' East 312 ft., South 12° East 280 ft., South 17° 30' East 170 ft. to the point of ending, marked "C" near the Bethel School.

To the Honorable Judges of the above named Court:

We, the undersigned viewers appointed by the above Court to view the ground proposed for a new road starting at a point on the Clayboard Run and ending at a point on the township road known as the Cornemough Road all within Richland Township and determine the necessity for such road respectfully report:

That we were duly sworn or affirmed as members of the permanent board of viewers as shown by the records of the Court; that due public notice of the time and place of the meeting of the Viewers was given all interested parties by publication in the Johnstown Tribune and by hand bills posted on the premises at least ten days prior to the time of making said view. Attached to this report are notices published and posted aforesaid. That we met upon the premises according to the notice on the third day of March A.D. 1921 at ten o'clock A.M. and proceeded with the duties of our appointment. That after viewing the ground for the proposed new road, we were of the opinion that the proposed new road would be a great convenience and aid to the township people and that the new road should be laid out. That we proceeded to lay out the new road, having respect to the best ground for the road and in such a manner as to maintain a minimum grade and also to do the least injury to private property and as far as practicable agreeable to the desires of the petitioners; that the road was laid out according to the best engineering practice and a plan showing the design of the road was attached to and made a part of this report.

We are of the opinion that the proposed road as laid out on the ground and as shown on the plan would be an aid and a convenience to the township inhabitants in their daily work.

Therefore, we are of the opinion that the prayer of the petitioners should be granted and the new road be granted as a public road.

To the Honorable Judges of the above mentioned Court:

We, the undersigned viewers appointed by the above Court to view the ground
proposed for a new road to replace a part of the road from the Village of Mineral
Point toward the Ebensburg Road and determine if there is occasion for such
change, respectfully report:

That we were duly sworn or affixed as members of the permanent board of
viewers as shown by the records of the Court; that due public notice of the time and
place of the meeting of the Viewers was given all interested parties by publication in the
Johnstown Tribune and by hand. bills posted on the premises at least ten days prior to
the time of making said view, attached to this report are notices as published and
posted aforesaid. That we met upon the premises according to the notices on the 10th
day of March A. D. 1921 at ten o'clock A. M. and proceeded with the duties of our
appointment. That after viewing the old road and the ground for the proposed new road,
we were of the opinion that the old road is in a dangerous condition that this road
is the logical location for a road in respect to line and grade, also any change to the
proposed road would produce a great cost due to the solid rock excavation and
would increase the grade of the road. Estimates made from plans and surveys
show that it would be less expensive to cut into the rock cliff along the present road
and thus make the present road safe by placing it on a solid foundation than
to follow the proposed road which necessitates a very heavy cut over the top of the
ridge in order to keep below a ten per cent grade. The present road is a flat grade.

We are of the opinion that the proposed change of roads is not economical and
illogical as to both line and grade.

Therefore we are of the opinion that the prayer of the petitioners should not be
granted.

Report of Viewers

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria Co. Penna. We, the undersigned members of the permanent board of viewers of Cambria County, appointed by your honorable Court upon the attached ordernd therein directed to view and determine as to the necessity for a new bridge over the West Branch of Chest Creek on the road leading from Route No. 62 of the State Highway System to Bradley Junction, in East Carroll Township, said County^{ty} & State respectfully report:

That having given due notice of the view and of the time and place of meeting of the viewers to the Commissioners of Cambria County and to the Supervisors of East Carroll Township and having them accept service of notices hereto attached and giving notice to the traveling public by printed pamphlets posted in public and conspicuous places at and near the site of the proposed new bridge, and having been first duly sworn according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability; all of us met at the time and place appointed for according with the notice given and having carefully viewed the premises and the site proposed for the new bridge and are all of the opinion that a new and more substantial bridge over the West Branch of Chest Creek at the point above referred to is necessary for the convenience of the traveling public and further that the construction of a permanent and suitable bridge would necessitate the expenditure of more than is reasonable, the taxpayers of the Township of East Carroll should be required to bear and therefore recommended that the cost of constructing a suitable bridge at the point designated above should be borne by the County of Cambria.

The viewers beg leave to suggest that the new bridge suggested to be built and herein recommended should be eighteen feet wide and twenty feet long and slightly higher than the present old structure. Report of Viewers

To the Honorable Judges of the above named Court:

We, the undersigned Viewers appointed by the above Court to View the ground proposed for a new road starting at a point at Annalinda and terminating five and one-half miles from Paria on the dividing line of Cambria and Bedford Counties and lying wholly within Summerhill Township and determine the necessity for such road, respectfully report:

That we were duly sworn or affirmed as members of the permanent board of Viewers as shown by the records of the Court, that, due public notice of the time and place of the meeting of the Viewers was given all interested parties by publication in the Johnstown Tribune and by hand bills posted on the premises at least ten days prior to the time of making said view. Attached to this report are notices published aforesaid. That we met upon the premises according to the notice the eleventh day of July, A.D. 1921, at 10:30 o'clock A.M. and proceeded with the duties of our appointment. That after Viewing the ground for the proposed new road, we were of the opinion that the proposed new road would be a convenience and aid to the Township people in the vicinity. That we proceeded to lay out the new road having respect to the best ground and in such a manner as to maintain a minimum grade and keeping a maximum grade of six (6) percent thus making an easy grade for a road over these mountains. That we laid out the road to do the least injury to private property and as far as practicable agreeably to the desires of the petitioners. That the road was laid out according to the best engineering practice and a plan was drawn, attached to and made a part of this report.

We are of the opinion that the proposed road is a necessity and that in the future this road will bring the sources of produce much closer to the people of this vicinity.

Therefore, we are of the opinion that the prayer of the petitioners should be granted and the new road is necessary as a public road.

5 December 1921 Report of Viewers filed.

15 March 1922 Recommendation of the Grand Jury & Decree of Court filed.

Now March 5, 1922, the report of the Viewers appointed by the Court of Quarter Sessions of Cambria County to view and determine the necessity for a bridge over Dutch Run in the Township of Barr, Cambria County, Pennsylvania, having been filed and the viewers having reported in favor of the bridge and further that the expense of constructing a suitable bridge would be greater than the Township of Barr should bear, the Grand Jury having considered the matter at March Session of the County 1922, are of the opinion that a bridge over Dutch Run in the Township of Barr at the point specified in the viewers' report is necessary for the convenience and accommodation of the traveling public and further that the expense of constructing a suitable bridge would be greater than the Township of Barr should bear and therefore recommend that the expense of constructing such bridge be borne by the County of Cambria.

Wm. H. Sandford, Foreman.

Now 15th March, 1923, a petition having been heretofore presented to this Court for the appointment of Viewers to view and report according to law on the erection of a bridge over Dutch Run in the Township of Barr as prayed for in the Petition, the Court did appoint proper persons for that purpose who made report that after viewing and examining the premises they are of opinion that a bridge is necessary over Dutch Run in the Township of Barr at a point where the same is crossed by the public road leading from the Village of Nicktown to the Village of Belpre and further that the expense of constructing a suitable bridge would be greater than the Township of Barr should bear, and the said report of the viewers having been filed at December Session 1921 of this Court and no exceptions having been filed thereto the said report was submitted to the Grand Jury at March Session 1922, who upon consideration thereof are of opinion that the aforesaid bridge is necessary and that the erection thereof entail greater expense than the Township of Barr should bear and therefore recommend that the expense of constructing said bridge be borne by the County of Cambria, it is therefore ordered and decreed that the report of viewers and the recommendation of the Grand Jury be approved and entered of record and that a copy thereof be furnished to the Commissioners of Cambria County by the Clerk of Court of Quarter Sessions thereof.

We, the undersigned Viewers, appointed by the order of the above Court on the 24th day of October, 1921, to view the bridge crossing the South Fork Branch of the Little Conemaugh in the said Borough of South Fork and determine the necessity of a foot walk on the aforesaid bridge, respectfully report:

That we were duly sworn or affirmed as members of the permanent Board of Viewers as shown by the records of the Court; that due public notice of the time and place of the meeting of Viewers was given all interested parties by publication in the Johnstown Tribune and by hand bills posted on the premises at least ten days prior to the time of making said view. Attached to this report are notices published aforesaid. That we met on the premises according to the notice on the 10th day of November, A. D. 1921, at ten o'clock A. M., and proceeded with our appointment. That after viewing the bridge we were of the opinion that inhabitants of the Borough of South Fork labor under a very great inconvenience and also a great menace to the safety of the inhabitants by reason of the need of a sidewalk on the aforesaid bridge. That we are of the opinion that the present bridge is not wide enough for vehicle traffic and pedestrian traffic and that walk space is very necessary.

We are of the opinion the present bridge with no sidewalk on this much travelled street is a great inconvenience and is very dangerous to the life and limb of the inhabitants.

Therefore, we are of the opinion that the prayer of the petitioners should be granted and a sidewalk wide enough to take care of the pedestrian traffic is a necessity.

Witness our hands this 25 day of November, A. D. 1921.

Report of Viewers.

To the Honorable, the Judges of the Court of Quarter Sessions of
Cambria County, Pennsylvania.

We, the undersigned members of the Board of viewers of Cambria
County, appointed by your honorable Court upon the attached order
and therein directed to view and determine as to the propriety
of vacating and supplying a certain piece of public road in Jackson
Township, said County, and state, between the terminal points as
set forth in said attached order, respectfully report:

That having given due notice of the view and of the time and
place of meeting of the viewers, to the Commissioners of Cambria
County, and the Supervisors of the township of Jackson and having
them accept service of notices hereunto attached; and to the traveling
public by printed hand bills posted in public and conspicuous
places at and near the terminal points of the piece of road to
be viewed; and having been duly qualified according to law to perform
the duties of our appointment faithfully, impartially and to the
best of our judgment and ability; all of us met at the time and
place appointed, in accord with the notices so given, and having
carefully viewed the premises and are of the opinion that the piece
of road referred to in said order should be vacated and instead
thereof a new piece of road should be supplied.

The portion of road recommended to be vacated beginning on the
road leading to Vintondale from the Penn Highway at a point just
southward from the Chickaree School House and more particularly
designated on the attached order of the Court and also on the
attached plot or draft, which is made a part of this report, take the
following courses and distances, viz: South 59° East 102.4 feet, South
 $69^{\circ} 30'$ East 87 feet, South 36° East 60 feet and South $24^{\circ} 30'$ East 154 feet
to the Westerly side of the Penn Highway, and instead thereof a piece
of road, beginning at the same point on the road leading from the Penn Highway
to Vintondale and taking the two following courses and distances, should
be supplied, viz: South $46^{\circ} 20'$ East 226 feet and South 35° East 152 feet to the Westerly
side of said Penn Highway.

No damages having been sustained none were assessed.

15 Nov. 1921 Order to Open issued

To The Honorable, The Judges of said Court:-

The petition of George Cole, John Hughes and Henry Lauer,
Supervisors of Klean Township, in said County and State,
respectfully represents:-

That it is desirable and advantageous to change a portion
of the route of a certain Public Road in said Township, more
particularly described as follows:- Beginning at a point on the
State Highway leading from the Buckhorn St. Ashville, to a point
on the State Road, leading from Ashville to Hyatt, through the
property of the Big Four Coal Co., the distance on said road,
proposed to be changed, being about seven hundred (700) hundred
feet, as more particularly described in the draft hereto
attached and made part of these proceedings.

That a release for damages is hereto attached, executed
by M. J. Kelley, Treasurer of the Big Four Coal Co., and
that the costs of making proposed change will not exceed
the sum of Three Hundred (\$300) Dollars.

Wherefore, your petitioners respectfully pray that the new
location be approved by the Court and that the same be
taken and deemed to be the public road to all intents
and purposes, and the old location so shown by the
draft hereto attached, shall be taken and deemed to be
vacated.

And your petitioners will ever pray, etc.

9 February 1922 Report of Viewers filed.

Report of Viewers.

To the Honorable, the Judges of the Court of Quarter Sessions of
Cambria County, Pennsylvania.

We, the undersigned members of the board of viewers of Cambria
County, appointed by your honorable Court upon the attached order, and
having directed to view and determine as to the propriety of vacating and supplying
certain portions of public road in the townships of Jackson and Croyle, said
County and State, between the terminal points specifically designated in said
order, respectfully report:

That having given due notice of the view and of the time and place of meeting
of the viewers to the commissioners of Cambria County and having them accept
service of notices hereto attached, and to the supervisors of said townships, who were
present at the view, and to the traveling public by printed hand bills posted
in public and conspicuous places along the route and at or near the terminal
points of the piece of road to be vacated and that proposed to be supplied
all of us met at the time and place appointed and promptly seen, just duly sworn
according to law to perform the duties of our appointment faithfully, im-
partially and to the best of our judgment and ability we viewed the premises and
are unanimously of the opinion that the piece of new road requested to be
supplied is not necessary for the accommodation of the public and that the piece
of road suggested to be vacated should not be vacated.

The piece of road proposed to be vacated, from a point 4,960 ft. South East of the
Cross-roads at Burkhardt's Corner, takes the following courses and distances, viz:
South 38° East, 494 ft.; South 53° East, 200 ft.; South 39° East, 130 ft.; South 5° 30' East, 280 ft.;
South 34° East, 260 ft.; South 56° East, 496 ft.; South 5° 30' East, 499 ft.; South 4° 15' East,
945 ft.; South 25° East, 911 ft.; South 24° 30' East, 370 ft.; South 35° East, 765 ft.; South 40° 30' East,
1824 ft.; South 37° East, 327 ft.; South 50° 30' East, 1430 ft.; South 42° East, 400 ft.;
to the corner at the old City School House (now down) and continuing South 35° East
975 ft.; South 45° 45' East, 215 ft.; South 43° East, 1090 ft. (crossing the line between
the townships of Jackson and Croyle at 1040 ft.) and South 61° 50' East, 450 ft. to the
summit of Wilshire road, in Croyle township; and the piece of road proposed
to be supplied takes the following three courses and distances through and over
lands of the Pennsylvania Coal and Coke Company and land of John Braden-
schmidt, likewise partly in each of said townships, viz: South 59° 50' East, twenty-one hundred
thirty-nine (2139) feet; South 60° 12' East, forty hundred fifty-four (4054) feet; and
South 84° 15' East, twenty-two hundred eighty-five (2285) feet, to a point on the public road
leading from Summit Hill to the Wilshire Penn. Highway, past the farm of John
Braden-schmidt.

A plat or draft showing the location of the piece of road proposed to be
vacated and likewise the piece of road proposed to be supplied is hereto attached
and made a part of this report.

Although the portion of the present public road proposed to be vacated is in
bad shape and the grade on the several hills quite steep, while the grade
through and over which the proposed supply road was expected and intended to be
laid out is good ground, for a public road and generally of a nice grade;
yet, in the opinion of the viewers, the necessity for the proposed new road, at this
time, is not by any means such as would demand or justify the ex-
penditure necessary to construct the proposed new road.

To The Honorable, the Judges of the said Court:

We, the undersigned Viewers, appointed by the annexed Order of the above Court, to view the place proposed for the bridge where Messenger Street crosses Solomon Run in the Borough of Dale, County of Cambria and State of Pennsylvania, respectfully report:

That we were duly sworn or affirmed as members of the permanent Board of Viewers of Cambria County, as shown by the records of said Court, gave due public notice of the time and place of meeting of said viewers by publication in the Johnstown Daily Tribune and by handbills posted on the premises and by notice served upon the Commissioners of Cambria County and upon D. P. Weimer, Esq., Solicitor for the Borough of Dale, at least ten days prior to the time of the making of the said view, evidence of which is shown by copy of said notice hereto attached; that we met upon the premises according to the notice given on Saturday, February 11th., A.D. 1922, at 9 o'clock A.M. and proceeded with the duties of our appointment.

We viewed the site and locality of the Bridge proposed to be built, making a personal inspection of the grounds at the points designated in the petition and order, that after viewing the premises we adjourned to meet in the viewers rooms, Wolf Building, in the City of Johnstown, County and State aforesaid, on Saturday, February 25th. 1922 at 9 o'clock A.M. for the purpose of taking testimony with reference to damages, as it affects the abutting property owners.

Pursuant to adjournment had we met in the Viewers Rooms, Wolf, Bldg., in said City of Johnstown, on Saturday February 25th. 1922, at 9 o'clock A.M. for the purpose of hearing evidence and the taking of testimony. All interested parties having had notice thereof.

After viewing said premises and hearing all the evidence and testimony and taking into consideration all matters before us: We are of the opinion and agree that a bridge at the point where Messenger Street crosses Solomon Run, in the said Borough of Dale, is necessary.

We are also of the opinion and agree that the expense of constructing the said bridge is more than the inhabitants of said Dale Borough should bear.

We therefore lay out and return for public use a bridge as follows: Over Solomon Run in line of channel of said Solomon Run, where Messenger Street crosses same, the width of said Messenger Street as fixed by Borough Ordinance being forty (40) feet from property line to property line, we recommend the roadway width of said bridge to be twenty-two (22) feet with eight (8) feet on either side for pedestrians and one (1) foot on either side for parapet wall.

We further report that we find no persons subject to damages and that no person claimed any damages.

We, the undersigned members of the board of viewers of Cambria County, appointed by your honorable Court upon the attached order and therein directed to view and determine as to the propriety of vacating a certain piece of public road in Chest Township, said county and state, as particularly specified on the attached order; respectfully report, that having given due notice of the view and of the time and place of meeting of the viewers, and having then first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability; After we met in accord with the notice so given and having carefully viewed the premises are all of the opinion that the piece of road in question should be vacated. Said piece of road, a plot or draft of which is hereto attached and made a part of this report, takes the following course and distances, viz: Beginning at a point opposite the residence of Mrs. John Ray, in said township of Chest and more definitely described in the petition and that order hereto attached, and running thence North 78° East 75 ft., South 14° West 251 ft., South 10° East 326 ft., South 23° East 432 ft., South 20° East 329 ft., South 9° West 215 ft., South 19° 30' West 207 ft., South 9° 30' East 290 ft., South 13° West 90 ft., South 70° West 100 ft., South 24° 30' West 468 ft., South 15° West 225 ft., South 9° West 448 ft., South 18° West 229 ft., South 28° West 332 ft., South 39° West 257 ft., South 14° 30' West 342 ft., South 17° East 115 ft., South 35° East 175 ft., South 39° East 274 ft., South 42° East 141 ft., South 33° East 706 ft., and South 6° 45' West 633 ft., to the road or lane known as the John Ryan Lane leading onto the property known as the John Ryan land or farm, at the south Easterly terminus of the piece of road proposed to be vacated. The viewers find that the piece of road in question runs entirely through an unpopulated district with but a single farm along same and upon that one farm the buildings have been allowed to fall into a state of decay and dilapidation and the farm has been abandoned. Otherwise the land on either side of said road, excepting for a small strip at the southerly end, is growing up in second growth timber and for nearly the whole distance the piece of road consists of two long steep hills and is not used by the general public and probably not more than three times a week on an average by any one.

We, the undersigned members of the Board of Viewers of Cambria County, appointed by your honorable Court, upon the attached order, and therein directed to view and determine as to the occasion for a certain private road to lead from the dwelling house of Samuel Rose to the public road leading from Fallen Timber to St. Augustine, respectfully report:

That having given due and legal notice of the view and of the time and place of meeting of the viewers to the Commissioners of Cambria County, the petitioner and the owner of the land through and over whom the road prayed for was to be laid out and the said owner and the petitioner both being represented at the view and having been first duly sworn according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability, all of us met at the time and place appointed and having gone over and carefully viewed the premises we are all of the opinion that the petitioner, Samuel Rose, is entitled to a private road through and over land of the Eastern Bituminous Coal Mining Company and accordingly we proceeded to lay out a road located and taking the courses and distances as indicated on the plot or draft hereto attached and made a part of this report. Said piece of road as laid out and recommended begins on the public road leading from Fallen Timber to St. Augustine at a point seventy feet (South 31° 40' East along said road), from the line of a wire fence across the premises of said Coal Mining Co. which separates a strip of woodland from a field planted with fir, spruce and other seedlings and thence takes these two courses and distances, viz North 78° 15' West 254 ft. and North 65° 05' West 66 ft. to a point on the land of the petitioner to the South East of his buildings. Having failed to obtain a release of damages from the owners of the land over which said piece of road was laid out we have assessed the damages to be paid by said Samuel Rose to the Eastern Bituminous Coal Mining Company at forty (\$40.00) dollars.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned viewers appointed by your honorable Court, upon the attached order, and therein directed to view and determine as to the propriety of vacating a certain piece of public road extending from a point on the public road leading from Twin Rocks to Vintondale, in Jackson Township to a point opposite the building formerly known as the Bracken Post Office, in Blacklick Township, respectfully report:-

That having given due notice of the view and of the time and place of meeting of the viewers to the Commissioners of Cambria County, the Supervisors of the townships of Jackson and Blacklick and to the traveling public by printed and bills posted in public and conspicuous places at and near the terminus of the piece of road proposed to be vacated; and having been first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability; all of us met at the time and place appointed and having carefully viewed the premises we are all of the opinion that the piece of road in question a plot or draft of which is hereto attached and made a part of this report; should be vacated.

Said piece of road the terminus of which are definitely and particularly described in the attached order of court takes the following courses and distances, viz:- Beginning on the public road leading from Twin Rocks to Vintondale and running thence North 13° West 496 feet and North 13° West the the grade crossing on the Blacklick Branch of the P.R.R., thence North 18° West 243 feet and North 44° 55' West 135 feet, crossing the Blacklick Creek into Blacklick Twp, thence South 55° West 146 feet and North 81° West 295 feet to the point of ending on the public road opposite the building formerly known as the Bracken Post Office.

Report of Viewers

To the Honorable, the Judges of said Court:

We, the undersigned Viewers, appointed by the annexed Order of the above Court, to view the premises for the purposes of vacating and supplying a portion of the road connecting the road leading from the Franketown Road to Mineral Point and Franklin with the Clapboard Run Road leading from the Franketown to Franklin, beginning at a point on said connecting road a distance of 3800 feet from its intersection with the road leading from the Franketown Road to Mineral Point and Franklin at the intersection of the property line of lands of George Harties and F. F. Tyock, said road to be vacated and the new road to be supplied all being situate in the Township of Richland, County of Cambria, State of Pennsylvania, respectfully report:

That we were duly sworn or affirmed as members of the permanent Board of Viewers of Cambria County, as shown by the records of said Court, gave due public notice of the time and place of meeting of said Viewers, by handbills posted on the premises and by notice served on the Commissioner of Cambria County, and upon George E. Wolfe, Esq., Solicitor for the Board of Supervisors of the Township of Richland all of whom accepted service, at least ten days prior to the time of the making of the said View, evidence of which is shown by copies of said notice, hereto attached; that we met upon the premises according to notice given at the place of beginning on the 29th day of June A.D. 1922 at Nine o'clock A.M. Standard Time, and proceeded with the duties of our appointment.

We viewed the site and locality of the road proposed to be laid out, making a personal inspection of the ground between the points designated in the petition and order.

We are of the opinion and agree that a public road between the points mentioned is necessary, and that we authorize the laying out of a road according to the accompanying draft. We therefore lay out and return for public use a road, as follows:

Beginning at a point on road 3800 feet distant from road leading from Franketown Road to Mineral Point and Franklin on land of George Harties, North sixty-three (63) degrees twelve (12) minutes West Five Hundred and two (502) feet to a point at intersection of land of George Harties and F. To the Honorable, the Judges of the Court of Quarter Sessions of Cambria
County, Pennsylvania.

We, the undersigned members of the Permanent Board of Viewers
of Cambria County, appointed by your honorable Court upon the attached
order and therein directed to view and determine as to the propriety of
vacating and supplying certain portions of a township road in Chest
Township, Cambria County, Pennsylvania, between the terminal points speci-
fied in said order; which is hereto attached, respectfully report:-

That having given due notice of the view and of the time and
place of meeting of the Viewers to the Commissioners of Cambria County
and the Supervisors of the Township of Chest and having them accept
service of notices hereto attached; and to the traveling public by printed
hand bills posted in public and conspicuous places at and near the
termini of the road to be viewed, and having all been duly sworn accord-
ing to law to perform the duties of our appointment faithfully, impartially
and to the best of our judgment and ability; All of us met in accord
with the notices so given as aforesaid and having carefully viewed the
premises are all of the opinion that the portion of road beginning at
a point on the Patton St. Lawrence road 13,750 feet North East of the
intersection of the Thomas Mills road with said Patton-St. Lawrence road
and extending thence North 80° East 660 feet and North 31° East 390
feet to the other terminus mentioned in said above referred to order, should be vacated,
and that instead of the portion of road recommended to be vacated a piece of road be-
ginning at the same point 13,750 feet North East of the intersection of the Thomas Mills road with
the Patton-St. Lawrence road and running thence North 62° 1/2° East 970 feet to the North-
Eastern terminus of the piece of road proposed to be vacated should be supplied instead of
that vacated.

A plat or draft showing the portion of road proposed to be vacated as well as that pro-
posed to be supplied, is hereto attached and made a part of this report.
The viewers having failed to obtain a release of damages from John Thierker through and
over whose land the piece of road as laid out and herein recommended passed, were
assessed the damages at One Hundred Dollars.

Report of Viewers

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned members of the board of viewers of Cambria County, appointed by your honorable Court upon the attached order and therein directed to view and determine as to the propriety of vacating and supplying a certain piece of public road in the township of Jackson, Cambria Co., Pa, as specified in said attached order, respectfully report;

That having given due notice of the view and of the time and place of meeting of the viewers to the Commissioners of Cambria County, and the Supervisors of the Township of Jackson; and having them accept service of notices hereto attached; and to the traveling public by printed hand bills posted in public and conspicuous places at and near the termini of the pieces of road to be viewed, and each having been duly sworn according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability; all of us met in accord with the notices so served and posted as aforesaid and having gone over the premises carefully and viewed the same we are of the opinion that the prayer of the petitioners should be granted and the piece of road; a plot or draft of which is hereto attached and made a part of this report; shown on said attached draft between points "A" and "B" should be vacated and that portion as shown between points "B" and "C" should be supplied. The of road recommended to be vacated extends South ten degrees two minutes West 329 feet, from the point designated, on the attached order, on the road leading from the Philadelphia - Pittsburgh Turnpike, via Wagner's School and Wherum to Indiana and to supply a piece of road extending South fourteen degrees ten minutes East, from the point of ending of the portion of road to be vacated, six hundred twenty feet to the other point designated on said order on said road leading to Indiana.

The land through and over which the piece of road as laid out passes is rough and unimproved and the viewers estimate that no damages will be sustained by the owner of the land by reason of the vacating and supplying of the piece of road as above specified.

Witness our hands this 15th day of March, A.D., 1923.

Report of Viewers.

We, the undersigned members of the board of supervisors of Cambria County, appointed by your Honorable Court upon the attached order and therein directed to view and determine as to the necessity for a public road between the points of beginning and ending specified in the attached order of the Court in Gallitzin Township, Cambria County, respectfully report:-

That having given due notice of the view and of the time and place of meeting of the viewers to the commissioners of Cambria County and the supervisors of Gallitzin Township and having them accept service of notice hereto attached, and to the traveling public by printed hand bills posted in conspicuous places at and near the termini of the proposed new road; all of us met at the time and place appointed in accord with the notice so given; having been first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability, we viewed the premises and being unanimously of the opinion that a public road between the points specified in the above referred to order was necessary for the convenience and accommodation of the traveling public, we proceeded to lay out the road, a plot or draft of which is hereto attached and made a part of this report; beginning on the Ashville-Sybertown road at the point of beginning specified, as aforesaid, and running thence North 12° 30' West 297 feet North 3° West 176 feet and North 5° West 284 feet to the point of ending, as specified, on the Chest Springs-Gallitzin road; which is hereby recommended by the viewers to be opened for public use.

In re Vacation of public road leading from Cambria-Blair County line to its intersection with the Tyrone Pike, near the Clearfield-Cambria County line in Reade Township.

13 August 1923 Petition for appointment of Viewers filed.

Decree.

At a Court of Quarter Sessions of the Peace of the County of Cambria, held at Ebensburg, Pennsylvania, in and for said County, on Monday, the 13 day of August, A.D. 1923, before the Honorable Judges of

said Court.

Upon petition of divers inhabitants of the Township of Reade, in said County, stating: That the portion of the public road leading from the Village of Tipton, in Blair County, along Tipton Run, through the Townships of Centre and Snyder, in a Northerly direction, through the Southeast corner of Reade Township, connecting with the old Tyrone Pike, leading from Tyrone, Blair County, to Smith's Mills, Clearfield County, at a point near the line dividing Clearfield County from Cambria County, within the Township of Reade, from the Cambria-Blair County line to its intersection with the said Tyrone Pike, as indicated on the blue print annexed to the petition and marked in yellow, has become useless, inconvenient and burdensome; and praying the Court that the same be vacated, the Court, on due consideration, do order and appoint J. D. Ritter, Adam Shuman and A. M. Shoemaker, Esq., who, after being respectively sworn or affirmed to perform the duties of their appointment impartially and according to the best of their judgment, are to view the part or portion of said road in said petition prayed to be vacated, and to consider and judge whether it has become useless, inconvenient and burdensome; and if they agree that the same has become useless, inconvenient and burdensome, as aforesaid, they shall make report accordingly to the next Court of Quarter Sessions to be held in and for the County of Cambria, Pennsylvania.

Report of Viewers.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania:

We, the undersigned members of the board of viewers of Cambria County, appointed by your Honorable Court upon
the attached order and therein directed to view and determine as to the propriety of vacating and supplying a
certain portion of the public road in White Township from the junction of the road leading from St. Lawrence
with the Ebensburg-Phillipsburg Pike to the line between the Township of White and Chest, respectfully report:-

That having given due notice of the view and of the time and place of meeting of the viewers to the
Commissioners of Cambria County, the Supervisors of White Township, and having them accept service of
notice hereto attached; and to the traveling public by printed hand bills posted in public and conspicuous
places at and near the terminal points of the piece of road to be viewed; and having been first duly
qualified according to law to perform the duties of our appointment faithfully, impartially and to the best
of our judgment and ability. All of us met in accord with the notice given and having carefully viewed
the premises are of the opinion that the piece of road in question, as particularly described on the
attached order of Court and designated in the plot or draft hereto attached and made a part of this
report; should be vacated and a new road laid out to supply that vacated, which in obedience to
said order we have done as follows.

Said piece of road proposed to be vacated takes the following courses and distances from the point
of beginning at the junction of the St. Lawrence road with the Ebensburg-Phillipsburg road, in White
Township, and extends thence N. 69° 15' W. 210 ft. S. 62° 45' W. 213 ft. S. 64° W. 1135.4 ft. N. 37° 15' W.
410 ft. S. 81° 30' W. 220 ft. S. 70° W. 697 ft. S. 62° 30' W. 298 ft. S. 50° W. 648 ft. S. 39° 30' W. 297 ft.
S. 26° W. 265 ft. and S. 59° W. 1395 ft. to the line between the Townships of White and Chest. And the
new road as laid out and recommended to be supplied extends as follows, from the point of beginning
of the piece of road proposed to be vacated, viz: N. 22° 30' W. along the road leading to St. Lawrence, via
Long Bros Roads, approximately 588 ft. to the point where the new road leading from Trugality adjoins
said St. Lawrence road, thence through and over lands of the Dishart Estate now occupied by Herman Dishart
and James Noel as follows, S. 57° W. 96 ft. S. 60° W. 326 ft. S. 62° W. 560 ft. S. 61° W. 248 ft. S. 69° 30' W.
264 ft. S. 63° W. 242 ft. S. 59° W. 254 ft. S. 50° 15' W. 138 ft. S. 47° W. 172 ft. S. 52° 30' W. 187 ft. S.
59° 30' W. 335 ft. S. 52° W. 285 ft. S. 50° W. 648 ft. S. 39° 30' W. 297 ft. S. 42° 30' W. 401 ft. and S. 59° W. 1249
ft. to the line between the Township of White and the Township of Chest. Having been unable to secure releases
of damages we have assessed the damages to the Dishart Estate at Five Hundred Dollars and the damages
to James Noel at Forty Five Dollars. Witness our hands this first day of March, A.D. 1924.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned members of the Board of Viewers of Cambria County, appointed by your Honorable Court, upon the attached order and therein directed to view and determine as to the expediency of vacating and supplying the whole of portions of a public road, in White Township, between the cement bridge at Dutch Run, in Beaver Valley, and Long's Bros Roads, respectfully report:—

That having given due and legal notice of the view and of the time and place of meeting of the viewers to the commissioners of Cambria County and the Supervisors of White Township, and having them brought service of notice hereto attached, and to the traveling public by printed hand bills posted in public and conspicuous places at and near the terminal points and along the route of the road to be viewed; and having been first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our knowledge and ability: All of us met at the time and place appointed, in accord with the notice so given, and having gone over and carefully viewed the said piece of road and are unanimously of the opinion that that portion of said road lying between said cement bridge at Dutch Run, in Beaver Valley, and the St. Lawrence road, as shown on the plot or draft hereto attached and made a part of this report, should be vacated and that a new and wider road between said points should be supplied following the lay out of the present road substantially; except at the three places as indicated and definitely marked on said attached draft; The road as laid out and herein recommended by the viewers takes the following courses and distances, viz: Beginning at the above referred to bridge over Dutch Run thence along the present road S. 9° E. 509 ft. thence thence and over land of Harry W. Gates and Peter Gates S. 15° E. 143 ft., S. 9° W. 58 ft., S. 23° 30' W. 100 ft., S. 35° W. 122 ft., S. 24° 30' W. 164 ft. and S. 13° 30' W. 328 ft., thence along present road S. 13° 45' W. 515 ft., S. 31° W. 300 ft., S. 43° W. 413 ft., S. 25° W. 487 ft., thence thence and over land of John Stabler South 241 ft. and S. 10° 30' East 246 ft. to the present road, thence along said old road S. 20° E. 154 ft., S. 8° E. 449 ft., S. 15° W. 156 ft., S. 26° 30' W. 464 ft. to the juncture of the road leading southward eastward to the St. Augustine - Fallers Lumber road at Glen Dale. Thence continuing along the present old road S. 43° 30' W. 547 ft., S. 40° W. 161 ft., S. 73° W. 174 ft., N. 83° W. 387 ft., S. 82° W. 257 ft. and S. 84° 30' W. 303 ft. thence thence and over land of James McKee S. 84° 30' W. 494 ft., S. 52° W. 400 ft. and S. 81° W. 313 ft. to the present road, thence along said present road S. 44° W. 445 ft. and S. 37° W. 440 ft. to the St. Lawrence road. The remaining portions of the road referred to in the attached order of the Court, from the juncture of the St. Lawrence road southward to Long's Bros Roads, the viewers are of the opinion should not be changed at this time.

The portions of old road recommended to be vacated take the following courses and distances, as noted on said attached draft, viz: The first beginning at point marked "A" extending S. 42° E. 156 ft., S. 13° W.

Report of Viewers.

To the Honorable, the Judge of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned members of the Board of Viewers of Cambria County appointed by your Honorable Court
upon the attached order and therein directed to view and determine as to the propriety of vacating and
supplying a certain portion of the township road leading from Tringality to the Ebensburg-Phillipsburg Pike
beginning and ending at the terminal points particularly designated on the attached order of Court,
respectfully report:-

That having given due and legal notice of the view and of the time and place of meeting of the
viewers to the Commissioners of Cambria County, to the Supervisors of the Township of White, and having
them accept service of notices hereto attached, and to the traveling public by printed hand bills, posted
in public and conspicuous places at and near the terminal points designated as aforesaid; and having
been first duly sworn according to law to perform the duties of our appointment faithfully, impartially
and to the best of our judgment and ability: All of us met in accord with the notices so given
and having gone over and carefully viewed the premises and are of the opinion that the piece of road
laying between the termini specified in said order of Court should be vacated and instead thereof a new
road should be laid out and accordingly we proceeded to vacate and supply portions of road between
said terminal points, as designated on the plot or draft hereto attached and made a part of this
report.

The piece of road suggested to be vacated beginning on the road leading from Tringality to the Ebensburg-
Phillipsburg road at the point designated and extending thence S. 76° W. 293 ft., S. 61° 15' W. 158 ft., S.
39° W. 429 ft., S. 40° 30' W. 515 ft. and S. 61° W. 226 ft. to the terminus on the road leading from St. Lawrence to the
Ebensburg-Phillipsburg Pike; and the piece of road as laid out and recommended to be supplied takes the following
courses and distances from this point of beginning of the piece of road suggested to be vacated, viz: S. 81° W.
1005 ft., S. 74° W. 129 ft. and S. 57° W. 323 ft. to the said public road leading from St. Lawrence, passing over
improved lands of John Rhynes and the Dishart Estate (now occupied by Hermann Dishart); from whom the
viewers have been unable to secure release of damages and have assessed the damages to John Rhynes at
Eighty five Dollars and to said Dishart Estate at Five Hundred Dollars.

Report of Viewers

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned, members of the Board of Viewers of Cambria County, appointed by your Honorable Court, upon the attached order, to view and determine as to the necessity for a public road in Elder Township, Cambria County, Pennsylvania, between the termini specified in said attached order, respectfully report:-

That having given due notice of the view and of the time and place of meeting of the viewers to the Cambria County and the Supervisors of the Township of Elder, and having themselves served of notices hereto attached, and to the traveling public by printed hand bills posted in public and conspicuous places at and near the termini and along the route of the proposed new road; and having been first duly sworn according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability;

All of us met at the time and place appointed in accord with the notice so given and having gone over and carefully viewed the premises in the vicinity of the proposed new road and carefully considered the whole situation, and are all of the opinion that the prayer of the petitioners should be granted and the new road as petitioned for laid out and opened for the convenience and accommodation of the public.

Said new road as laid out, a plot or draft of which is hereto attached and made a part of this report: beginning at the terminus specified in the above referred to order of Court, on the public road leading from Byrnes Cross Roads to St. Boniface takes the following courses and distances, viz: N. 40° 20' E. 537 ft. N. 50° E. 266 ft. N. 79½° E. 264 ft. S. 52½° E. 189 ft. (S. 189 ft.) S. 50° E. 256 ft. S. 54° E. 463 ft. S. 52° E. 252 ft. S. 60° E. 369 ft. S. 68° E. 587 ft. S. 55° E. 452 ft. S. 42½° E. 327 ft. S. 41½° E. 171 ft. S. 60° E. 218 ft. S. 73° E. 95 ft. N. 78° E. 253 ft. East 332 ft. S. 75° 50' E. 393 ft. S. 57° E. 122 ft. S. 58° E. 284 ft. N. 78° E. 169 ft. S. 84° E. 460 ft. S. 82½° E. 744.5 ft. and S. 66° E. 391 ft. to the terminus at the line between the townships of Elder and East Carroll, on the road leading to the Patton-Thomas Mills road, as specified in said order. Passing through and over lands of Ambrose Yahner, Edward Dillon and the Patton Clay Works, and not being able to secure release of damages from Ambrose Yahner we have assessed his damages at Forty Dollars and finding no damage was suffered by Edw. Dillon or the Patton Clay Works, by reason of laying out the above road we have assessed them no damages.

Report of Viewers.

To the Honorable, the Judges of said Court.

We, the undersigned Viewers, appointed by the aforesaid order of the above Court, to view the premises for the purpose of supplying a public highway in the Township of Lower York, County of Cambria and State of Pennsylvania, beginning at a point at or near Sauer's Bridge on the St. Clair Public Highway which is a continuation of Fairfield Avenue leading from the City of Johnstown to the Menasha Highway, and which point is located 293 feet from the intersection of Hay Street and Fairfield Avenue in said City of Johnstown, and extending thence to a point on the public road known as the Fairfield Road leading from the City of Johnstown to the town of New Florence, and is 1237 feet from the intersection of Hay Street and the Fairfield road, respectfully report:-

That we were duly sworn or affirmed as members of the permanent Boards of Viewers of Cambria County as shown by the records of said Court, gave due public notice of the time and place of meeting of said Viewers by publication in the Johnstown Daily Tribune and the Cambria County Legal Journal, by handbills posted on the premises and by notices served upon the commissioners of Cambria County, upon Donald E. Custer, solicitor for the Supervisors of Lower York Township and upon H. Earl Siders, Esq., counsel for petitioners, at least ten days prior to the time of making of the said View, evidence of which is shown by copies of said Notice hereto attached and made a part of this report; that we met upon the premises according to the Notice given on Tuesday, May 27th A.D. 1924 at 10 o'clock A.M. and proceeded with the duties of our appointment.

We viewed the site and locality of the road proposed to be laid out, making a personal inspection of the grounds between the points designated in the petition and order.

We are of the opinion and agree that a public road between the points mentioned is necessary, and that we authorize the laying out of a road according to the accompanying draft. We therefore lay out and return for public use a road as follows:-

Beginning at a point located at or near Sauer's Bridge on the St. Clair Public Highway which is a continuation of Fairfield Avenue leading from the City of Johnstown to the Menasha Highway, and which point is located two hundred ninety-three (293) feet from the intersection of Hay Street and Fairfield Avenue in said City of Johnstown; thence from said point North seventy-six (76°) degrees Thirties five (35') minutes West a distance of Nine Hundred Seventy-four (974) feet to a point at intersection of Homberk Street; thence from said point North Thirties (13°) degrees Twenty-five (25') minutes East a distance of Four Hundred Thirties-eight (438) feet to a point located at or near the residence of W. J. Andrews, and is Twelve hundred thirty-seven (1237) feet from the intersection of Hay Street and the Fairfield road in said City of Johnstown.

The width of the said road which is known as Reservoir Avenue and Homberk Street, both of which are dedicated to the use of the public and the portion dedicated for said public use is Fifty (50) feet.

We further report that we endeavored to obtain from all the owners of land upon which the said road is located releases of the damages to arise by reason of such location, we were unable to secure the releases therefore we allow no damages to them because we consider the advantages which will accrue to their respective properties by reason of the road are equivalent to all damages which will be sustained by them.

Report of Viewers

To the Honorable the Judges of said Court.

We, the undersigned Viewers, appointed by the annexed order of the above Court, to view the premises for the purpose of supplying a public highway in the Township of Portage, Cambria County, Pennsylvania, beginning at a point on line between the Borough of Portage and the Township of Portage at the intersection of Johnson Avenue and Blair Street, in the Township of Portage, and extending in a Northwesterly direction a distance of, approximately three thousand six hundred seventy-five (3675) feet to the intersection of Lakeview Street with the Township road leading from Portage to Johnstown, in the Township of Portage, respectfully report:-

That we were duly sworn or affirmed as members of the Jurymen Board of Viewers of Cambria County, as shown by the records of said Court, gave due public notice of the time and place of meeting of said Viewers by publication in the Portage Dispatch and the Cambria County Legal Journal, by handbills posted on the premises and by notices served upon the Commissioners of Cambria County, upon the Secretary of the Board of Supervisors of Portage Township and upon David Weaver for the petitioners, at least ten days prior to the time of the making of said view, evidence of which is shown by copies of said Notices hereto attached and made a part of this report; that we met upon the premises according to the Notice given on Tuesday, July 1st, A.D. 1924 at 10 o'clock A.M. and proceeded with the duties of our appointment.

We viewed the site and locality of the road proposed to be laid out, making a personal inspection of the ground between the points designated in the petition and order.

We are of the opinion and agree that a public road between the points mentioned is necessary, and that we authorize the laying out of a road according to the accompanying draft.

We therefore lay out and return for public use a road taking the following courses and distances:-
Beginning at a point on the line between the Borough of Portage and the Township of Portage at the intersection of Blair Street and Johnson Avenue, thence from said point, and place of beginning as indicated on draft hereto attached and made a part of this report and through center line of Johnson Avenue North Eighty-six (86°) degrees Thirty ($30'$) minutes West a distance of One Thousand Four hundred twenty (1420) feet to a point, thence from the said point in center of Johnson Avenue aforesaid North Fifty (51°) degrees West a distance of Two Hundred two and four tenths (202.4) feet to a point in center line of Maple Street; thence along said center North Three (3°) degrees East a distance of Two hundred twelve and five tenths (212.5) feet to a point intersection of Maple Street and Sonman Avenue; thence along center of Sonman Avenue North Eighty-six (86°) degrees Thirty ($30'$) minutes West a distance of Seven Hundred fourteen (714) feet to a point intersection of Sonman Avenue and Lakeview Street; thence along the center line of Lakeview Street North Thirty-seven (37°) degrees Thirty ($30'$) minutes West a distance of Three Hundred thirty-four (334) feet to a point in center of street; thence from said point North Eleven (11°) degrees Twenty ($20'$) minutes West a distance of Five Hundred Thirty-nine (539) feet to a point and the center of the road leading from Portage to Johnstown, said point being the terminus.

We allow no damages to the abutting property owners as affected by the laying out of the above road because we consider the advantages which will accrue to their respective properties by reason of the laying out of said road are equivalent to all damages which will be sustained by them. Streets and alleys as indicated on the draft hereto attached, except the portion of Blair Street in Portage Borough have been laid out and dedicated but have not been opened as public thoroughfares.

17 April 1925 Order to Open issued.

To the Honorable the Judges of said Court. Report of Viewers.

We, the undersigned Viewers, appointed by the annexed order of the above Court, to view the premises for the vacating and supplying of a public road beginning at a point on what is known as the Mountain Road eighteen hundred (1800) feet from what is known as the Cramer Pike, thence North $35^{\circ}10'$ East six hundred and fifty-eight (658) feet to a point; thence by a curve to the left one hundred (100) rods to a point; thence North $61^{\circ}25'$ West seven hundred sixty-six (766) feet to a point; thence North $61^{\circ}25'$ West two hundred eighty-two and two tenths (282.2) feet to a point; thence North $42^{\circ}30'$ West two hundred forty-four and five tenths (244.5) feet to a point; thence North $37^{\circ}10'$ West four hundred sixty-five and one-tenth (465.1) feet to a point; that the above mentioned road described by courses and distances as aforesaid, has become useless, inconvenient and burdensome and there would be much improvement if, instead of following the said courses and distances, the same should be vacated and there should be supplied thereof a road running from the beginning of the above mentioned road, which point is exactly eighteen hundred (1800) feet from the intersection of the Cramer Pike, which said Cramer Pike is the nearest intersecting road, and extending to the point of ending of the above described road, that has become useless, inconvenient and burdensome, aforesaid, which point of ending is exactly five thousand eight hundred sixty-five and eight tenths (5865.8) feet from the aforesaid Cramer Pike, which is the nearest intersecting road, the said proposed road extending however, instead of over the route which is hereby prayed for vacated, in a westerly direction for a portion of the distance and then curving again in an easterly direction to the point of ending, as aforesaid, thus obviating, as is herein proposed, a difficult grade, respectfully report:-

That we were duly sworn or affirmed as members of the permanent Board of Viewers of Cambria County as shown by the records of said Court. That we gave due public notice of the time and place of meeting of said Viewers by handbills posted on the premises and by notice served upon the Commissioners of Cambria County and upon the Secretary of the Board of Supervisors of West Taylor Township and upon Stephens, Stephens and Glass, Esqs. Counsel for the petitioners, and by publication in the Johnstown Daily Tribune and the Cambria County Legal Journal at least ten days prior to the time of making of said report, evidence of which is shown by copies of said Notices hereto attached and made a part of this report; that we met upon the premises according to notice given at the point of vacation and supply on Thursday, November 13th, A.D. 1924 at ten o'clock A.M. and proceeded with the duties of our appointment.

We viewed the site and the locality of the road proposed to be laid out, making a personal inspection of the ground between the points designated in the petition and order.

We are of the opinion and agree that a public road between the points mentioned is necessary and that we authorize the laying out of the road according to the accompanying draft. We therefore lay out and return for public use a road as follows:- Beginning at a point on what is known as the Mountain Road eighteen hundred (1800) feet from intersection with the Cramer Pike, thence from said point of beginning North Eighteen (18) degrees fifty-five (55) minutes West Two Hundred twenty one and six-tenths (221.6) feet to a point; thence North Twenty-seven (27) degrees West One Hundred twenty-nine and five tenths (129.5) feet to a point; thence South Twenty-three (23) degrees Ten (10) minutes West a distance of One Hundred Twelve (112) feet to a point; thence South Thirty-two (32) degrees Thirty (30) minutes West a distance of Two Hundred Twenty-nine (229) feet to a point; thence South eighty-eight (88) degrees Twenty-five (25) minutes West a distance of One Hundred Forty-six (146) feet to a point; thence North Sixty-six (66) degrees Thirty (30) minutes West a distance of Two Hundred Forty (240) feet to a point; thence North twenty-two (22) degrees West a distance of One Hundred Eighty-six (186) feet to a point; thence North Three (3) degrees

Report of Viewers.

To the Honorable, the Judges of said Court:-

We, the undersigned Viewers appointed by the above Court, to view the premises for the purpose of laying out a public road to lead from a point on line of Berkley road as public road; said point which is here given as the center line of the proposed road being exactly Two Hundred eighty-five and three one hundredths (285.03) feet to Derby Street, said Derby Street being the nearest intersecting public road or street already open. The said proposed road, as your petitioners desire it to extend, takes the following courses and distances from the aforesaid point, which is designated as the center line of the proposed road: South $83^{\circ} 27'$ West 570.79 feet to center line of Northwood Avenue; thence North $24^{\circ} 17'$ West 161.68 feet to Riddle Street, also a public road, that the nearest intersecting public road to said Riddle Street is Derby Street. The exact distance from the end of which proposed road is 117 feet; respectfully report:-

That we were duly sworn or affirmed as members of the Permanent Board of Viewers of Cambria County, as shown by the records of said Court, gave due public notice of the time and place of meeting of said Viewers, by handbills posted on the premises and by Notices served on the commissioners of Cambria County and upon the Supervisors of Upper Yorder Township, all of whom accepted service, at least ten days prior to the time of making of said view, evidence of which is shown by copies of the said notices hereto attached and made a part of this report; that we met upon the premises according to notice given on Wednesday, February 25th, A.D. 1925 at 10:30 o'clock A.M. and proceeded with the duties of our appointment.

That we viewed the site and locality of the road proposed to be laid out, making a personal inspection of the grounds between the points designated in the petition and order.

We are of the opinion and agree that a public road between the points mentioned is necessary and that we authorize the laying out of a road according to the accompanying draft. We therefore lay out and return for public use a road as follows:-

Beginning at a point on Berkley Road Two Hundred Eighty-five and three tenths (285.3) feet South of Derby Street; thence by the center line of a dedicated street known as Jefferson Street South Eighty-three (83°) degrees Twenty-seven ($27'$) minutes West Five Hundred Seventy and fifty-nine one hundredths (570.59) feet to the center line of a dedicated street known as Northwood Avenue; thence by said center line North Twenty-four (24°) degrees Seventeen ($17'$) minutes West One Hundred Sixty-one and sixty-eight one hundredths (161.68) feet to the end of Riddle Street, a public highway, said ending being One Hundred Seventeen (117) feet South of the southerly side of Derby Street.

We further report that we endeavored to obtain from all the owners of land upon which the said road is located, releases of the damages to arise by reason of such location, we were unable to secure releases therefore we allow no damages to them, because we consider the advantages which will accrue to their respective properties by reason of the road are equivalent to all damages which will be sustained by them.

Report of Viewers

We, the undersigned Viewers appointed by the annexed order of the above Court, to View for the purpose of laying out a public road beginning at intersection of Maple Street on the Plan of Oakmont with Rich Avenue and ending at a point on the State Aid Township Road leading from the Seventeenth Ward of the City of Johnstown, Pennsylvania to Guntown, respectfully report:-

That we were duly sworn or affirmed as members of the permanent board of Viewers of Cambria County as shown by the Record of said Court, gave due public notice of the time and place of meeting of said Viewers by hand bills posted on the premises and by notices served on the Commissioners of Cambria County and upon George E. Wolfe, Esq., Solicitor for the Supervisors of the Township of Richland, all of whom accepted service at least ten days prior to the time of making of said View, evidence of which is shown by copies of said notices hereto attached and made a part of this report, and by publication in the Johnstown Tribune and in the Cambria County Legal Journal; that we met upon the premises according to notice as above given on Tuesday, May 19, A.D. 1925 at 9:30 o'clock A.M. for the purpose of performing the duties of our appointment. There being present at the view a number of citizens and persons interested in said proposed road, all of them being tax payers of the Township of Richland.

A hearing was held with reference to the proposed road and by agreement between the parties interested, said hearing was held in the Viewers Room on May 22, A.D. 1925 at 10:00 o'clock A.M. for the purpose of hearing evidence with reference to the proposed road, the Supervisors of the Township being opposed to the laying out of a new road. The testimony as adduced was of such character that the Board of Viewers were of the opinion that they should be given more time for the purpose of further investigating the situation as it developed in the hearing. Pursuant to such opinion there was accordingly presented to the Judges of the Court of Quarter Sessions the Petition asking for Extension of time to file Report of Viewers from the first Monday of June Sessions of the Court of Quarter Sessions A.D. 1925 to the first Monday of September Sessions A.D. 1925 of the Court aforesaid. The prayer of which the Court granted extending the time for the filing the report of the Viewers as prayed for. The Viewers again viewed the site and locality of the road proposed to be laid out, making a personal inspection of the points designated to be laid out making a personal inspection of the grounds between the points designated in the Petition and order.

Report of Viewers.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania:
 We the undersigned members of the Board of Viewers of Cambria County, appointed by your Honorable Court upon the attached order therein directed to view and determine as to the necessity for a certain piece of public road in Adams Township, Cambria County, Pennsylvania, as therein described, respectfully report:-

That having given due notice of the view and of the time and place of meeting of the viewers to the Commissioners of Cambria County, the Supervisors of the Township of Adams and to the traveling public by printed handbills served and posted; and having been first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability, we met upon the premises and having gone over and carefully viewed same and concluded that a public road between the terminal points indicated on the attached order was necessary for the convenience and accommodation of the public, proceeded to lay out a road between the termini indicated on said attached order, beginning on the improved public road which leads from Lebolt to Salix and running thence North $65^{\circ}50'$ West two hundred nine and eight tenths feet, South 66° West one hundred twenty six and five tenths feet and North $76^{\circ}30'$ West six hundred ninety eight feet, through and over lands of George Miller, and North $76^{\circ}30'$ West one hundred feet, over land of the Maryland Coal Company, to the Lebolt Cemetery.

A plot or draft showing the road as viewed, laid out and recommended for public use is hereto attached and made a part of this report.

The parties through and over whose lands the above mentioned road was viewed and laid out having agreed that it might be so laid out, and opened and that no damages would be expected, accordingly we have assessed them no damages.

Report of Viewers.

To the Honorable the Judges of said Court.

We, the undersigned Viewers appointed by the annexed order of the above Court, to view the premises for the purpose of vacating and supplying a Public Road in the Township of Portage, Cambria County, Pennsylvania, beginning at the intersection of Maple Street and Sonmans Avenue and extending in a Northwesterly direction to a point, intersection of Commonwealth Avenue and Lakeriv Street, a distance of approximately Eight Hundred and Fifty (850) feet to intersect with a Township Road leading from Portage to Johnstown, respectfully report:-

That we were duly sworn or affirmed as members of the Permanent Board of Viewers of Cambria County as shown by the records of said Court, gave due public notice of the time and place of meeting of said Viewers by publication in the Portage Dispatch and the Cambria County Legal Journal, by handbills posted on the premises and by notices served upon the commissioners of Cambria County, upon the secretary of the Board of Supervisors of Portage Township at least ten days prior to the time of the making of said view, evidence of which is shown by copies of said Notice hereto attached and made a part of this report; that we met upon the premises according to the Notice given on Monday, August 24th, 1925, at 10:00 o'clock A. M. and proceeded with the duties of our appointment.

We viewed the site and locality of the road proposed to be vacated and supplied, making a personal inspection of the ground between the points designated in the petition and order.

We are of the opinion and agree that the road between the points mentioned should be vacated, and that we authorize the vacating of the road taking the following courses and distances:-

Beginning at a point on the line between the Borough of Portage and the Township of Portage at the intersection of Blair Street and Johnson Avenue, thence from said point and place of beginning as indicated on draft hereto attached and made a part of this report and through center line of Johnson Avenue North Eighty-six (86) degrees Thirty (30) minutes West a distance of One Thousand Four Hundred and Twenty (1420) feet to a point; thence from said point in center of Johnson Avenue aforesaid North Fifty-one (51) degrees West a distance of Two Hundred two and four tenths (202.4) feet to a point in center line of Maple Street; thence along said center North Three (3) degrees East a distance of Two Hundred Twelve and five tenths (212.5) feet to a point intersection of Maple Street and Sonmans Avenue; thence along center of Sonmans Avenue North Eighty-six (86) degrees Thirty (30) minutes West a distance of Seven Hundred Forty-two (742) feet to a point intersection of Sonmans Avenue and Lakeriv Street; thence along the center line of Lakeriv Street North Thirty-seven (37) degrees Thirty (30) minutes West a distance of Three Hundred Thirty-four (334) feet to a point in center of street; thence from said point North Eleven (11) degrees Twenty (20) minutes West a distance of Five Hundred Thirty-nine (539) feet to a point and the center of road leading from Portage to Johnstown, said point being the terminus.

We are further of the opinion and agree that a public road should be supplied, we therefore authorize the laying out and return for public use a road taking the following courses and distances:-

Beginning at a point on the line between the Borough of Portage and the Township of Portage at the intersection of Blair Street and Johnson Avenue, thence from said point and place of beginning as indicated on draft hereto attached and made a part of this report and through center line of Johnson Avenue North Eighty-six (86) degrees Thirty (30) minutes West a distance of One Thousand Four Hundred Twenty (1420) feet to a point; thence from the said point in center of Johnson Avenue aforesaid North Fifty-one (51) degrees West a distance of Two Hundred Two and four tenths (202.4)

Report of Viewers.

To the Honorable the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned members of the Board of Viewers of Cambria County, appointed by your Honorable Court upon the attached order, and therein directed to view and determine as to the propriety of vacating and supplying a certain piece of public road in the township of Chest, Cambria County, Pennsylvania, between the terminal points set forth in said attached order, respectfully report:-

That having given due notice of the view and of the time and place of meeting of the viewers to the commissioners of Cambria County and the Supervisors of the Township of Chest and showing them acceptances of notices hereto attached, and to the traveling public by printed hand bills posted in public and conspicuous places at and near the terminal points of the piece of road to be viewed, and having been first duly qualified according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability: All of us met in accord with the notice so given and having carefully viewed the road proposed to be vacated and also that proposed to be supplied and are of the opinion that the piece of public road beginning at the juncture of the road from Joseph McMullen's to Naylor's Cross Roads with the Patton to Clinton road and thence extending N. $81^{\circ}40'$ E. 489 ft., N. $79^{\circ}30'$ E. 467 ft., N. $66^{\circ}45'$ E. 189 ft., N. 65° E. 398 ft., N. $28^{\circ}10'$ E. 199 ft., N. $36^{\circ}30'$ E. 232 ft., N. 40° E. 161 ft., N. $13^{\circ}50'$ W. 339 ft., N. $24^{\circ}30'$ E. 120 ft., N. 46° E. 288 ft., and N. 6° E. 309 ft. to the land of the vacated bridge over Beaver Dam Run should be vacated and instead thereof a piece of road beginning at the same end of the said vacated bridge over Beaver Dam Run and taking the following courses and distances viz: S. 19° W. 488 ft., S. $49^{\circ}50'$ W. 131.5, S. $51^{\circ}30'$ W. 332 ft., S. $49^{\circ}55'$ W. 523 ft., S. $50^{\circ}05'$ W. 790 ft., and S. 52° W. 393 ft. to the point of beginning of the piece of road proposed to be vacated, should be supplied.

A plot or draft showing the location of the piece of road proposed to be vacated, and the location of the piece of road proposed to be supplied and the lands and improvements through and over which it passes is hereto attached and made a part of this report.

The Viewers, having failed to obtain a release of damages from either of the parties through and over whose lands the proposed new road as laid out passes, we have assessed the damages which will be sustained and should be paid to George Long at One Hundred Forty-five Dollars, and to Joseph McMullen at Two Hundred Ten Dollars.

Report of Viewers.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania:

We, the undersigned members of the Board of Viewers of Cambria County, appointed by your honorable court, upon the attached order, and therein directed to view and determine as to the propriety of vacating and supplying a certain portion of a public road in Allegheny Township, said county and state, between the termini specified in said order, which is hereto attached, respectfully report:—

That having given due legal notice of the view and of the time and place of meeting of the viewers to the commissioners of Cambria County and to the Supervisors of the Township of Allegheny, and having them accept service of notices hereto attached, and to the traveling public by printed hand bills posted in public and conspicuous places at and near the terminal points of the piece of road to be viewed, and having each been first duly sworn according to law to perform the duties of our appointment faithfully, impartially and to the best of our judgment and ability: All of us met in accord with the notices so served and posted, as aforesaid, and having viewed the road proposed to be vacated and the land in the immediate vicinity thereof and taking into consideration also the parties living in the neighborhood thereof and the traffic in that community generally, we were of the opinion that the prayer of the petitioners should be granted, and accordingly proceeded to locate the portions of road intended to supply that vacated.

The courses and distances of the piece of road proposed to be vacated and supplied, a plot or draft of which is hereto attached and made a part of this report, are as follows, to wit: The piece of road recommended to be vacated, beginning at the Westerly terminus, as indicated in the attached order of court, extends North $80^{\circ}30'$ East 630 feet, North 80° East 441 feet, North 58° East 246 feet and North 60° East 167 feet, to the Easterly terminus specified in said order, and the piece of road recommended to be supplied, beginning likewise at the Westerly terminus as specified in said order, extends South $89^{\circ}35'$ East 311 feet, South $65^{\circ}55'$ East 294 feet, South $74^{\circ}30'$ East 130 feet, North 85° East 73 feet, North $51^{\circ}30'$ East 88 feet, North $40^{\circ}20'$ East 548 feet, North 36° East 167 feet and North 60° East 167 feet to the Easterly terminus. Said change in the location of said piece of road is, in our opinion, necessary for the accommodation of the traveling public as the portion of road recommended to be vacated contains two very steep grades almost impassable in bad weather.

The Viewers having been unable to secure a release of damages from R. S. Miley, through and over whose land the new road as laid out passes, we have assessed his damages at Eight Hundred Fifty Dollars.

Now, December 10, 1926, the report of the viewers appointed by the Court of Quarter Sessions of Cambria County to view and determine the necessity for a bridge over Tea Kettle Run in the Township of Barr, Cambria County, Pennsylvania, having been filed and the viewers having reported in favor of the bridge and further that the expense of constructing a suitable bridge would be greater than the Township of Barr should bear, the Grand Jury having considered the matter at December Sessions of the Court, 1926, are of the opinion that a bridge over Tea Kettle Run in the Township of Barr at a point indicated in the viewers report is necessary for the convenience and accommodation of the traveling public and further that the expense of constructing a suitable bridge would be greater than the Township of Barr should bear and therefore recommend that the expense of constructing such bridge be borne by the County of Cambria.

Chas. Hetrick, Foreman.

Now, 10th December, 1926, a petition having been heretofore presented to this Court for the appointment of viewers to view and report according to law on the erection of a bridge over Tea Kettle Run in the Township of Barr as prayed for in the petition, the Court did appoint proper persons for that purpose who made report that after viewing and examining the premises they are of the opinion that a bridge is necessary over Tea Kettle Run in the Township of Barr at a point where the same is crossed by the public road leading from the Village of Nicktown to the Village of Strongstown, at a point near the Killbuck School House, and further that the expense of constructing a suitable bridge would be greater than the Township of Barr should bear and the said report of viewers having been filed at September Sessions, 1926, of this Court and no exceptions having been filed thereto, the said report was submitted to the Grand Jury at December Sessions, 1926, who upon consideration thereof are of opinion that the aforesaid bridge is necessary and that the erection thereof would entail greater expense than the Township of Barr should bear and therefore recommend that the expense of constructing said bridge be borne by the County of Cambria, it is therefore ordered and decreed that the report of the viewers and the recommendation of the Grand Jury be approved and entered of record and that a copy thereof be furnished to the Commissioners of Cambria County by the Clerk of Court of Quarter Sessions thereof.

Report of Viewers

To The Honorable, the Judges of the above named Court.

We, the undersigned viewers appointed by the annexed order of the above Court to view the above premises for the purpose of laying out a public road which terminates at about 286 Derby Street in the City of Johnstown, Cambria County, Pennsylvania, which will extend from this point almost in a straight line Northeast a distance of about nine hundred (900) feet along what is now known as Ruth Avenue to Albert Street at the terminus of Ruth Avenue at its Northeast terminus, which is also a terminus of Albert Street at this point, from this point thence in a straight line North on said Albert Street a distance of one thousand (1000) feet to Cannon Street at its Western terminus; thence East along said Cannon Street to Warren Street a distance of one thousand (1000) feet; thence along Warren Street a distance of about fifteen hundred (1500) feet to Berkley Road, a regular laid out and approved Township Road, at a distance of about one hundred (100) feet from the said Berkley Road, extending in a Western direction, from Warren Street, there is a laid out Street called Arch Street which extends back about a distance of eight hundred (800) feet to the Northern terminus of Derby Street, as laid out on plans of "best view"; thence South along said Derby Street to Cannon Street, and from Cannon Street in a curvilinear fashion, the said Derby Street, in the said Township joins Derby Street in the City of Johnstown, which is the point of beginning, respectfully report:

That because of the lateness in receiving the order of the Court to view the above premises the Board of Viewers presented a petition to your Honorable Court setting forth that it was impossible to make a return to September Sessions, 1926, because of the lack of time that is required by law to view said premises and make a report the first week of September Sessions of Court, and that your Honorable Court extended the time of the making and filing of report to the December Sessions, 1926.

That we were duly sworn as affirmed as members of the Permanent Board of Viewers of Cambria County as is shown by the records of said Court; that we gave due public notice of the time and place of the meeting of Viewers by putting two hand bills on the premises and by sending notice upon the Commissioners of Cambria County and upon Frank P. Barnhart, Attorney for Subscribers of Upper Yoder Township and upon Ernest J. Walker, Counsel for petitioners, at least ten days prior to the making of said view, evidence of which is shown by copies of said notices hereto attached and made a part of this report.

That we met upon the premises, according to the notice given, on Friday, October 15, A.D. 1926, at ten o'clock A.M. and proceeded with the duties of our appointment.

We viewed the site and locality of the road proposed to be supplied, making a personal inspection of the grounds between the points designated in the Order of Court. There were many persons interested when we viewed the site of the proposed road.

We are of the opinion and agree that a Public Road for the convenience of the general public is necessary, and we proceeded to lay out the road taking the following courses and distances:

Beginning at a point at the intersection of the center line of Berkley Road or Street and Warren Street, North thirty-two (32) degrees forty-two (42) minutes East four hundred eighty (480) feet from the intersection of the Arch Road leading from the Berkley Road extended to the Burkhardt Pike; thence along a

Report of Viewers

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We the undersigned members of the Board of Viewers of Cambria County appointed by your Honorable Court upon the attached Order and therein directed to view and determine as to the necessity for a piece of public road in East Taylor Township, Cambria County, Pennsylvania; respectfully report:

That having given due notice of the view and of the time and place of meeting of the viewers to the Commissioners of Cambria County and the Supervisor of the Township of East Taylor, and having them accept service of notice hereto attached, and to the public by printed hand bills posted in public and conspicuous places along the route of the proposed new roads and along the public highway and having each first been duly sworn according to law to perform the duties of our appointment faithfully, impartially and according to the best of our ability; All of us met in accord with the notice so given and having carefully viewed the premises and determined that a public road between the termini specified in the attached order was necessary for the accommodation of the public residing in that vicinity, we proceeded to lay out, between said points, a convenient road, a plot or draft of which is hereto attached and make a part of this report.

The road, which we hereby and herein recommend for public use, takes the following courses and distances viz. Beginning at the Southern terminus, at the intersection of Cherry Avenue with Cambria Avenue, at the Southern Cambria Railway Station, and extending thence North 78° 10' West four hundred two feet, thence South 83° 05' West six hundred feet, along two dedicated streets in the Village of Echo, to the public road leading from Brookdale to the Johnstown and Ebensburg roads, thence along said public road from Brookdale the following courses and distances, North 35° 31' East four hundred thirty feet, North 81° East sixty five feet and North 83° 10' East two hundred seventy two feet to the Northern terminus at the intersection of Cherry Avenue with Fourth Street, also in said Village of Echo. The proposed new road was not laid out along the dedicated street known as Cherry Avenue, in a direct line between the two termini on account of the prohibitive grade between the points indicated between points marked "B" and "C" on the attached draft and for the further reason that the natural direction of the bulk of the traffic which will pass over the new road will naturally be towards the Johnstown-Ebensburg road and will undoubtedly accommodate a greater number of people.

Report of Viewers

To the Honorable the Judges of said Court:

We, the undersigned Viewers appointed by the above Court to view for the purpose of laying out a Public Road beginning in the said Township at a point four hundred (400) feet from the intersection of Griffith Avenue (a Township Road) with the Buckley Hill Road (also a Township Road); thence along Fourth Avenue a distance of twenty-two hundred (2200) feet to Sixth Street; thence along Sixth Street a distance of three hundred (300) feet to Third Avenue; thence along Third Avenue a distance of four hundred fifty (450) feet to Fifth Street; thence along Fifth Street five hundred (500) feet to a point on Griffith Avenue (a Township Road) twenty-three hundred fifty (2350) feet from the aforesaid intersection, in said Township, respectfully report:

That we were duly sworn or affirmed as members of the Permanent Board of Viewers of Lonsdale County, as is shown by the records of said Court; that we gave due public notice of the time and place of meeting of said Viewers by hand bills posted on the premises and by notices served on the Commissioners of Lonsdale County and upon Charles C. Green, Esq., Attorney for the Petitioners, and Ephraim Beuchard, Secretary of the Board of Supervisors of Lonsdale Township, all of whom accepted service at least ten (10) days prior to the time of the making of said View, evidence of which is shown by the original notices hereto attached and made a part of this report.

That we met upon the premises, according to the notice given, on Wednesday, May 4, 1927, at one o'clock P.M. for the purpose of performing the duties of our appointment.

That we viewed the site and locality of the road proposed to be laid out, making personal inspection of the grounds between the points designated in petition and order. There were present at the said View Supervisors of the Township of Lonsdale, Charles C. Green, Esq., Attorney for Petitioners and a number of citizens interested in said proposed road.

We find that the point from intersection of Griffith Avenue, a Township Road, with the Buckley Hill Road is not an intersection of four hundred (400) feet, but an intersection of five hundred thirty (530) feet from the place of beginning.

We are of the opinion that a Public Road between the points designated in our report is necessary and that we authorize the laying out of a road according to the accompanying draft. We, therefore, lay out and return for public use a Public Road as follows:

Beginning at a point five hundred thirty (530) feet from intersection of Griffith Avenue, a Township Road, with the Buckley Hill Road; thence from said point, which point is on Fourth Avenue, and along Fourth Avenue, North thirty-three (33) degrees thirty-eight (38) minutes East a distance of eight hundred twenty-four (824) feet to a point on East Fifth Street; thence from said point and along East Fifth Street, North fifty-six (56) degrees twenty-two (22) minutes West a distance of seven hundred eighty-six and seventy-eight (786.78) feet to a point on Griffith Avenue in the said Township of Lonsdale, at being the terminus mentioned in the Order of Court.

We find that the Order of Court calls for a point four hundred (400) feet from the intersection of Griffith Avenue with the Buckley Hill Road; but actual measurement makes it a distance of five hundred thirty (530) feet as mentioned in our report.

We further report that the benefits derived from the laying out and opening of said road are far in excess to any damages that may accrue to any property owners and, therefore, we allow no damages to any property affected by the said laying out and opening of the road hereinafter described.

Witness our hands and seals this 14th day of June, A.D. 1927.

Report of Viewers.

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We the undersigned members of the permanent board of viewers of Cambria County, appointed by your honorable court upon the attached order and therein directed to view and determine as to the propriety and necessity for a new public highway in Portage Township, Cambria County, Pa., to lead from a point 1770 ft. Southward from the junction of the Beavertown road with the Johnstown-Portage road and to end on said Johnstown-Portage road at a point 3800 feet Northward from the junction of the Frankstown road with said Johnstown-Portage road, respectfully report:-

That having given due notice of the view and of the time and place of meeting of the viewers to the commissioners of Cambria County and the supervisors of the Township of Portage, and having them accept service, which are hereto attached, and to the traveling public by printed handbills posted in public and conspicuous places at and near the termini of the proposed new road and having been first duly qualified according to law to perform the duties of our appointment faithfully and impartially and to the best of our judgment and ability, all of us met at the time and place appointed, in accord with the notice so served and posted as aforesaid and having carefully gone over and viewed the premises, we are unanimously of the opinion that a new public road as prayed for is necessary for the convenience and accommodation of the public and accordingly we respectfully lay out the road between the termini specified in the attached order of the court, a plot or draft of which proposed new road as laid out and herein recommended is hereto attached and made a part of this report.

The proposed new road as laid out by the viewers beginning at a point 1770 feet Southward from the junction of the Beavertown road with the Portage-Johnstown road (where Wesley Avenue, a dedicated street intersects said Portage-Johnstown road) and running thence North $81^{\circ}30'$ East 771 feet, along Wesley Avenue, thence South 40° East 345 feet and South $8^{\circ}54'$ East 1944 feet, through and over unimproved land of the Martin Realty Company and along a dedicated street, as indicated on attached draft, thence continuing the three following courses and distances, through and over unimproved land of said Martin Realty Company, viz. South $3^{\circ}50'$ East 303.2 feet, South $24^{\circ}05'$ West 1226.5 feet and South 71° West 442 feet to a point near the corner of the property of J. Lerch, on the Portage-Johnstown road 3800 feet Northward from where the Frankstown road adjoins the said Portage-Johnstown road.

As indicated on attached draft there are approximately twenty-five families living along the line of the proposed new road, which as laid out does not damage to private property and the very little grade along the entire length except for a short stretch, where with but very little grading can easily be reduced to about seven per cent.

In laying out the above referred to road the viewers were of the opinion that no damage was sustained nor would be sustained by the opening and construction of same.

Witness our hands this seventh day of November, A.D. 1927.

Report of Viewers

To the Honorable, the Judges of the Court of Quarter Sessions of Cambria County, Pennsylvania.

We, the undersigned members of the permanent board of viewers of Cambria County, Pa., appointed by your honorable Court and upon the attached order directed to view and determine as to the necessity for opening and supplying a certain piece of public road in White Township, said county and state, which has been laid out but not yet opened. Said piece of road extending from a point on the St. Lawrence road near its junction with the Ebersburg - Philadelphia road, which point is at the junction of the new road leading from Trugality, and extending to the portion of said road, which is already opened, on the James Noel farm at short distance Northward from this residence.

Said piece of road and the terminal points thereof, being more particularly described in the attached order of Court and also in the report of viewers entered to Mar. 2, March Sessions, 1924.

The viewers having given due notice of the view and of the time and place of meeting of the viewers to the commissioners of Cambria County, and the Supervisors of the Township of White and Charming, them and service of notices hereto attached, and to the traveling public by printed hand bills posted at and near the termini of the piece of road to be viewed. All of us met in accord with the notices so given and noted and having gone over and carefully viewed the premises, noting particularly the location of the former road, laid out, and the proposed location for the new piece of road as suggested by the petitioners and are all of the opinion that the prayer of the petitioners should be granted that there is occasion and necessity for the change in the location of the new piece of road which has not yet been opened, for the following reasons, viz:

That by adopting the new location the piece of road will be more direct, will be on higher ground, a more uniform grade and the ultimate expense of constructing same will in our estimation be somewhat less to this township and the detriment to the owners of the properties through and over which it is laid out only slightly greater than if the piece of road therein recommended to be vacated had been opened. When the road was originally viewed in 1924, owing to the very severe weather and the vast amount of snow on the ground at the time both the viewers and the petitioners were somewhat misguided as to the exact situation which a more careful examination under more favorable circumstances has revealed.

The piece of road as laid out and not yet opened and herein recommended to be vacated as well as the line of the new portion of road herein recommended to be supplied instead of that vacated is shown on the plot or draft hereto attached and made a part of this report.

Said recommended new piece of road beginning on the St. Lawrence road at the point specified in the petition and the attached order of the Court and definitely located on said attached draft extends thence South 63° West 1583 feet, South $62^{\circ} 15'$ West 308 feet, South $61^{\circ} 49'$ West 727 feet and South 61° West 445 feet to the old Ebersburg - Philadelphia Pike thence along said old pike South 63° West to the terminus.

Report of Viewers

To the Honorable the Judges of the above mentioned Court.

We the undersigned Viewers appointed by the attached order of the Court to view the roads within mentioned respectfully report:

That we have been duly sworn or affirmed as members of the Permanent Board of Viewers of Cambria County as shown by the records of the Court; that having given due public notice of said view and of the time and place of meeting by posting notices as required by law along the route and at the termini of said proposed roads to be vacated and supplied and by service of such notice on the commissioners of Cambria County and the Supervisors and Council of Adams Township acceptance of said notices by the commissioners Supervisors and Council being hereto attached; that we met in accordance with the notice given on the 24th day of January A.D. 1929 at 10:00 o'clock A.M. and proceeded with the duties of our appointment and viewed the premises and route of the proposed new roads and the portions of roads proposed to be vacated; that a large number of residents residing along the portion of the proposed roads to be vacated and the Supervisors of Adams Township and others were present and accompanied us on the view; that strenuous objections were raised as to the vacation of parts of said roads proposed to be vacated; that said view was continued for a hearing to be held in the Viewers Chambers, Wolf Block, Franklin Street, Johnstown, Pa. on the 31st day of January A.D. 1929 at 10:00 o'clock A.M.; that we met in accordance with said continuance on the 31st day of January A.D. 1929 at 10:00 o'clock A.M. when a large number of the residents of that portion of Adams Township affected by the proposed vacation and the Supervisors and their Council were present and heard.

After hearing all complaints and evidence before us a compromise in accordance with our view of the situation was agreed upon by the Supervisors and Council of Adams Township and all objections by persons present at said meeting were withdrawn; that we find that the grade on a portion of the section of the Old Frankstown Road proposed to be vacated and the Frankstown Road is excessive; that same has become burdensome and inconvenient and by reason of the roads proposed to be supplied will become useless; therefore we are of the opinion that that section of the Old Frankstown Road beginning at a point in the new concrete road approximately 200 feet south of the intersection of the Brick Road leading from the Frankstown Road to St. Michaels and ending at a point in the aforesaid road in a southerly direction at a distance of 3215.3 feet from the beginning and in an easterly direction along said Frankstown Road a distance of 4126.6 feet from the intersection of the Tract Road at Mt. Hope Evangelical Cemetery and at the intersection of a proposed road to be supplied should be vacated; also that portion of the Frankstown Road beginning at its intersection with the Old Frankstown Road and ending at its intersection with the new concrete road extending in a southerly direction 502.7 feet from the place of beginning should be vacated.

A plot or draft attached hereto and made a part hereof shows said portions of roads to be vacated colored in green thereon.

That we are of the opinion that there is a necessity for the supplying of two sections of public roads as prayed for by the petitioners; therefore we proceeded to lay out said new roads having respect for the shortest distance and the best ground for a road and in such manner as would be as near as
